

Chapter: 450

Ning Yuning is a very arrogant person. In the past few years, the star journey has gone smoothly. Before she knew it, she cultivated her personality of being cold and lonely. It was not until she met Lin Ziming that she realized that she was just a person. Ordinary people, in front of real big people, she is not worth mentioning.

This kind of strong contrast made her unable to accept it in a short time.

She knew that in this situation, she couldn't show a grieved expression, but she really couldn't control it, and her eyes suddenly reddened a lot. She knew that she couldn't hold it any longer, and she would continue to make a fool of herself if she stayed.

So she stood up again and said, "Sorry, I'll go to the bathroom first, and you guys continue to talk."

After finishing speaking, she left without waiting for Lin Ziming's promise. Her departure made Ye Piaoyang a little embarrassed, and hurriedly explained: "Dong Lin, Ning Yuning has a thin face, you must not be familiar with her."

Lin Ziming was also a little stunned. He didn't think that Ning Yuning would leave like this, and seeing Ning Yuning like that just now, it seemed that he was aggrieved? Is it just because you are cold to her?

Shaking his head, Lin Ziming didn't think too much, and said something awkward, indicating that he did not have the same knowledge as Ning Yuning.

Some surprises flashed in the eyes of Yang Xiaomi and others, and they were very happy. Originally, among their female stars, the most competitive was Ning Yuning. Now Ning Yuning has left the stage first, for them. Good news, at least one strong competitor is missing.

Especially for Yang Xiaomi, she is even more excited. Among so many female stars, Ning Yuning can stabilize her in terms of appearance. Now that Ning Yuning is gone, she is the most competitive. Yeah. If she can successfully hug Lin Ziming's thigh, then she won't have to worry about it in the entertainment industry in the future!

So, she tried her best to please Lin Ziming, and she was about to stick to Lin Ziming's body.

Because of the status blessing, she now sees Lin Ziming more and more pleasing to her eye, and she can't wait to win Lin Ziming's favor right away. To be honest, Lin Ziming was a little bit embarrassed. It was the first time he was surrounded by so many women. All kinds of temptations came over and made him a little unbearable. Don't look at him after four years of marriage, but he is still the first brother. Yang Xiaomi waited for these mature women, but he was really overwhelmed.

So he hurriedly coughed twice, kept a distance from Yang Xiaomi and the

others, and ate normally.

And his performance fell in the eyes of female stars such as Yang Xiaomi, and it turned into a test, and he performed even harder.

During the period, their hints didn't stop, which made Lin Ziming feel like he had fallen into the daughter country. Now he regrets coming over to eat with Ye Piaoyang tonight. This is to make him make a mistake.

Fortunately, his drinking volume was amazing, and Yang Xiaomi and others continued to toast, but they were all drunk, but they were a little dizzy.

Ye Piaoyang asked, "Dong Lin, I have a doubt, don't you need to bring a bodyguard when you go out?"

This question really bothers Ye Piaoyang. When a capitalist at the level of Lin Ziming is not afraid of being kidnapped?

When Yang Xiaomi and other female stars heard this question, they also looked at Lin Ziming curiously.

Lin Ziming smiled and said, "I don't have the habit of wearing a bodyguard."

"Dong Lin, excuse me for taking the liberty of being a boss like you, with a net worth of over tens of billions, so are you not afraid of being targeted by bad guys?" Ye Piaoyang asked aside.

Lin Ziming continued to laugh and said, "You might not believe it. I am a martial artist, and I am better than many bodyguards, so there is no need to hire a bodyguard."

"Uh..." Ye Piaoyang was stunned on the spot. He obviously didn't expect to get such an answer. Among the wealthy people he knows, there are no bodyguards or not to say that he is Xi. Wu Zhiren is better than bodyguards. He carefully observed Lin Ziming and found that Lin Ziming's body can only be said to be uniform, with no strong muscles. He is just an ordinary person, said to be better than bodyguards, he is absolutely He didn't believe it, so he finally thought that Lin Ziming was joking.

Ye Piaoyang is also a person of right and left. He is especially good at dealing with him. He gave a thumbs up and said along Lin Ziming's words: "Dong Lin is really good, I don't think he is still a martial artist, Ye Mou is a five-body to Lin Dong!"

Other female stars also think that Lin Ziming is joking. They don't believe Lin Ziming is a martial arts master. How can a rich man like Lin Ziming practice martial arts and do things like fighting and killing.
