

Chapter: 451

Lin Ziming smiled slightly, without explaining too much.

More than ten minutes have passed, and Ning Yuning still didn't come back. A female star remembered this. She said, "Hey, why has Yu Ning been in the bathroom for so long, is something wrong?"

After the female star had finished speaking, she was immediately stared at by other female stars. She blamed her for talking too much. They wished that Ning Yuning would not come back, so that they would have one less competitor!

Lin Ziming also remembered this incident. He had a bad feeling and said to Ye Piaoyang, "Ye Dong, why don't you call Miss Ning?"

Ye Piaoyang nodded and called Ning Yuning. However, the phone rang for a long time and no one answered.

"Strange, why doesn't Yu Ning answer the phone? She is not drunk in the bathroom, right?" Ye Piaoyang asked curiously.

How long did the voice fall, Ye Piaoyang's phone rang, and it happened that Ning Yuning called back. After Ye Piaoyang took the call, Ma came up with Ning Yuning's crying, panicked and helpless voice, "Director Long, save me..."

Ye Piaoyang was stunned right now. When he hurriedly talked again, he found that Ning Yuning had already hung up the phone.

Lin Ziming's hearing is very good. He heard Ning Yuning's call with a bad feeling in his heart.

"what's the situation?"

"Ning Yuning, she seems to be in an accident, and asked me for help on the phone just now."

Lin Ziming said in a deep voice, "Call her back again."

At this moment, Lin Ziming became the backbone, Ye Piaoyang listened to his words, and quickly dialed back, but it was no longer possible.

The other female celebrities were confused and didn't understand what happened.

Lin Ziming made a decisive decision, stood up and said, "Let's go find her." "Okay!" Ye Piaoyang nodded vigorously, then stood up and walked out with Lin Ziming.

Other female stars had no choice but to go out with them.

Logically speaking, this is in a five-star restaurant. The security work must be done well. There will be no robbers. In addition, Ning Yuning is a public figure. As long as he is not a lunatic, he can't be right. Ning Yuning had any evil intentions.

And just listening to Ning Yuning's panic and helplessness on the phone, it didn't look like a fake.

Strictly speaking, Lin Ziming and Ning Yuning are not even friends, but in

any case, Ning Yuning left just now and has a relationship with him. If Ning Yuning really got into trouble because of this, he would still be somewhat responsible. .

After coming out, Lin Ziming first asked the waiter at the restaurant, and he had seen Ning Yuning.

The waiter asked three questions, and didn't even know that Ning Yuning was eating here, because just now Ning Yuning was wearing a mask and sunglasses.

As for Yang Xiaomi's female celebrities, they went to the women's bathroom to take a look, and there were no people in sight, just as Ning Yuning disappeared.

In this situation, Lin Ziming first thought of mobilizing the monitoring of the restaurant to see where Ning Yuning had gone.

At this moment, Lin Ziming's ears flicked slightly, and he heard a loud noise coming from the box in front of him. In the vagueness, he seemed to hear Ning Yuning's grievances.
