

Chapter: 453

She moved out Ye Piaoyang's famous hall, trying to scare him away.

However, the other party didn't take it seriously and said, "Then let him wait and drink two glasses with me first."

"No, I don't drink." Ning Yuning shook her head and said, then she was about to leave.

Another man immediately pulled his face down, and cursed unceremoniously: "Grass! Don't you dare to give us Ma Ge's face, you are so tired of living! Do you know who our Ma Ge is!"

Ning Yuning is a lofty goddess. The men I met before were respectful and polite to her. Wherever she had been scolded in person like this, now she is almost furious, and her face is immediately cold. Come down, "I warn you to speak more cleanly, or I will sue you for insulting in minutes."

Her words made the three men laugh again, and the man called Ma Ge said: "Okay, I don't have much patience. Go have a drink with me and I will let you go. Otherwise, then no it's just as easy as drinking."

Ning Yuning saw the threat from the other party. She was so flustered now that she was about to turn around and run. As a result, her thoughts were seen through, and there was no time to turn around, so she was held back. Wine? Very good."

"What are you doing, let me go! I yelled! Help! Help!" Ning Yuning yelled, the voice spread out, and was heard by the people around, but they all saw Ma's face. Pretending not to hear, and left here.

When Ning Yuning saw this scene, she realized that she was in danger, and her heart kept sinking.

Fortunately, her response was quick. Knowing this situation, the call is also not useful. Obviously, the identity of this person named Ma Ge is not simple. In a hasty, she made a judgment, or first obeyed the other party's will, and when she found an opportunity, she called the chairman and asked the chairman to come and rescue her.

I believe that as the chairman of the board, the other party should give the chairman a face no matter what.

After understanding this, she didn't resist, took a deep breath, regained her composure, and said, "Okay, I will accompany you to drink and give you an autograph, but you can't touch me."

Brother Ma let go of Ning Yuning, put his hand on his nose and sniffed, and said with a smile: "This is just obedient, don't worry, I just want to have a drink with you. There is absolutely nothing else interesting."

The other two men showed smirk expressions.

Ning Yuning was very disturbed, but she also had no way of doing it. Now she regrets it. If she knew it, she just came out wearing a mask and sunglasses! You won't encounter such a thing.

But now that she calmed down slowly, she was not too panicked, because she began to realize that this was in a five-star restaurant, with cameras everywhere, giving the other party ten courage, and she didn't dare to do anything to her. Kind of.

When she finds a chance, she will report to Ye Piaoyang and let Ye Piaoyang come over.

However, she still thought too idealistically. When she went to Ma Ge's box, she realized that there were a lot of people in it. The seats were full, and they were all men. After she came, she caused a wave of wolves. Make her especially nervous and scared.

"Wow, isn't this the big star Ning Yuning!"

"So pretty, Brother Ma, is this your new horse?"

"Ge Ma is Ge Ge, even the big stars are done, tsk tsk."

When they saw Ning Yuning, they all said blatant words, making Ning Yuning very unbearable, feeling that she was a sheep into the wolf pack, and then she was constantly being filled with alcohol, which made her dizzy.

Moreover, Ge Ma wanted to do something to her, she was really terrified in the end, and began to call Ye Piaoyang for help...
