“Toast and not eat fine wine! You really thought I gave you a face, right?”
With a bang, Ma Ge suddenly slapped the table with a slap, and then he took a glass of wine and splashed it on Ning Yuning’s face. Ning Yuning was shocked. It happened that she was wearing a thin piece of clothing. , Under the penetration of the wine, it becomes translucent, looming.

Ning Yuning’s eyes reddened all of a sudden. Since she became famous, she has not been wronged like this.

She was already in good shape, but now her clothes were wet, she was particularly tempted, and immediately caused many men in the box to whistle, staring straight at her unwilling to move, and all kinds of unbearable words spread to her. In her ears, the extreme grievance made her finally couldn’t help but cried.

“Yo, I cried, this is too weak, hahaha.”

“It’s fun to cry. I like to see women crying, especially those who are pretty, and it’s so cool to be bullied.”

“Haha, you are such a pervert, you actually like to watch women cry, how come they are exactly the same as my hobby.”

“This is a superstar superstar. There are tens of millions of fans. I didn’t expect to cry so sad. Tsk tsk, if you get to the bed, won’t you cry more vigorously?”

“That’s for sure, just because of Brother Marco’s physique, he still doesn’t torture the big star to the death.”

Where did Ning Yuning stay? She felt like she was in a pack of wolves now, shivering, and now she was still wet. The eyes of these men made her nervous and frightened to the extreme. She had never experienced this before. , Will be eaten by these men at any time!

And she has no doubt that they did something like this, and now she really regrets it more and more. She knew this earlier. Even if she was ashamed in the box just now, it would be a hundred times better than now!

If she was really defiled by these people, then she promised that she would not survive.

She tried to escape, but as soon as she stood up, she was caught: “Want to run? I tell you, there is no one who can run in my Ma Long’s hands!”

With that said, he stretched out his hand to Ning Yuning and touched it, intending to get started directly.

The other men in the box began to yell, cheering Ma.

“You let me go, let me go!!” Ning Yuning was completely panicked, struggling desperately, but still couldn’t get away, crying anxiously.

She is really desperate now, how much she hopes to have a real son who can save her. But she knows that this is an unlikely thing. This is not a movie, but a reality. In reality, there will not be such a real emperor unless there is a

miracle.

At this moment, the closed box door was suddenly pushed open, and a group of people walked in. It was no one but Lin Ziming, Ye Piaoyang, and Yang Xiaomi and other female celebrities.

After they came in, they also saw this scene and expressed their surprise.
