

Chapter: 455

This movement alarmed everyone in the box. They all looked over. They had already caught Ning Yuning, and Ma Long, who was about to get his hands down, was also taken aback for a moment. His hands relaxed a bit. Ning Yuning caught the opportunity and quickly broke free. Drive, and run over quickly.

She was really terrified now. She was completely in a state of being in a state of panic. Ye Piaoyang and Lin Ziming appeared. To her, it was undoubtedly in the darkness that she tore a light hole and saved her. Hurried over.

However, because she was so flustered and ran in a hurry, she actually tripped and fell forward. She was dissatisfied with her speed. She was wearing high heels again, and she must be heavy and her face would fall broken.

She yelled out in a panic, and she was about to fall to the ground. At this moment, she felt a flower in front of her eyes. It was Lin Ziming who moved. She moved extremely fast, and in the blink of an eye, she arrived in front of Ning Yuning, in time. He grabbed Ning Yuning's body, then rotated a half circle, buffering off the momentum, and steadily hugged Ning Yuning in his arms and saved her.

However, what was embarrassing was that Ning Yuning struggled in panic, causing her posture to be deflected, causing Lin Ziming's arm to touch her chest, which was very embarrassing.

Lin Ziming's heart couldn't help but sway!

Ning Yuning also felt it. Her pale face that had been frightened immediately rose with two blushes, and her heartbeat suddenly accelerated a lot.

Even if she is a big star in the entertainment industry, she has also filmed many scenes, but all her kiss scenes are used as dislocations and substitutes. She herself, and has never had such close contact with the opposite sex, she is A person with a shy personality, so she is blushing and shy now!

But it was strange that she didn't feel repulsive or disgusted when she first arrived. Instead, she had a sense of security that she had never had before. Because she felt that Lin Ziming's arms were too powerful, this kind of feeling was something she didn't feel in other men.

Yang Xiaomi and other female stars saw this scene, their faces were very ugly, full of envy, jealousy and hatred, and they wished that they were Ning Yuning.

"Ahem!" Lin Ziming didn't take the opportunity to take advantage of Ning Yuning's advantage. He quickly straightened Ning Yuning and let her go. He glanced at Ning Yuning briefly and found that her upper body was wet. He didn't stay too much, and very gentlemanly took off his coat, put Ning Yuning on, and asked in a deep voice, "What happened?"

Ning Yuning didn't recover until she put on Lin Ziming's coat and felt the residual warmth remaining in the coat. Lin Ziming's gentleness gave her an indescribable shyness and enjoyment.

There was no time for her to speak. Soon, someone in the box patted the table and stood up, cursing: "Who are you, don't you want to live, do you dare to break into our box?!"

All of them recovered, their expressions were very ugly, and they stared at Lin Ziming and the others.

Ma Long twisted his neck, he stood up, and said in a low tone: "Are you brave enough to even dare to break into Ma Long's territory?"

Ye Piaoyang's expression changed when he heard the words Ma Long. He stepped forward and said, "Excuse me, you are Ma Long of the Kunlun Group?"

Ma Long twisted his neck again, showing a joking smile, and said, "Oh, you still know me. It seems that your identity is not simple."

Suddenly, there was panic on Ye Piaoyang's face, and he hurried up and said flatly: "It turns out that it is really Mr. Ma Long from Kunlun Group. Fortunately, I am the chairman of Heiyan Media, Ye Piaoyang."

Ma Long said: "Heiyan Media, I understand, you are the boss of the big star Ning Yuning. That just happens. Your star makes me unhappy. I'm going to sleep with her tonight. Do you agree?"
