

## Chapter: 459

The speed is very fast, and the strength is very fierce, and he kicked directly to Lin Ziming's lower body. This is to directly destroy Lin Ziming.

The shots are not cruel. Lin Ziming didn't even offend him, so he played the black hands like this. One can imagine how many bad things he did and how many people fell into his hands.

Lin Ziming's eyes flashed a little coldness, and he snorted heavily.

Originally, he was not too hostile to Ma Long. At best, he just saw Ma Long not pleasing to the eye, but now, Ma Long's shot made his heart cold all of a sudden.

Yang Xiaomi and other female celebrities saw Ma Long kick Lin Ziming's body. They all opened their eyes wide and screamed. In their opinion, if this kick is going down, Lin Ziming must be annihilated. That's it!

There was also a sneer at the corner of Ma Long's mouth, and his heart was particularly happy, there is nothing better than abolishing the man's life.

However, at this moment, the sneer on his face stiffened, and showed pain, a strong impact, causing him to retreat humbly, if it weren't for someone behind him to hold him in time, he would fall now. fell!

It turned out that Lin Ziming made the shot at the very close of the serve. He took the shot later, raised his left foot, kicked out with lightning, and kicked directly on Ma Long's stomach, majestic and powerful, and he didn't want money to be poured into Ma Long's stomach!

At this moment, Ma Long felt that his intestines were about to be broken, and fierce force rushed in his stomach, like a knife was scraping in his stomach, and the pain made him die alive.

Just kidding, Lin Ziming's current martial arts is terribly high, even a tough person like Ugly Master can't stand a punch from him, let alone a dude like Ma Long.

Even if Ma Long was a Lianjiazi, he was just an ordinary master, and it was completely inferior to Lin Ziming's metamorphosis.

Originally, Lin Ziming didn't want to be so cruel. It was this guy named Ma Long who deceived too much and wanted to abolish his life roots. This kind of thing cannot be tolerated by men, let alone a ruthless person like Lin Ziming.

Everyone present was stunned. They didn't expect Lin Ziming to fight back in this situation, and kicked Ma Long back so many steps with one kick.

"Oh! It hurts, it hurts me to death... I want to kill you, I will kill you!!" Ma Long covered his stomach, the pain made his face crooked and he kept pumping backwards. Cool, swearing constantly, and tears in pain.

His group of horses didn't even think that Lin Ziming would dare to fight back. This is the guts of the bear heart and leopard!

Ning Yuning was stunned for a moment, and then she became extremely

excited, and once again felt an unprecedented level of security, many times stronger than Lin Ziming's hug her in time!

As for the female celebrities of Yang Xiaomi, they are also daring red hearts, staring at Lin Ziming closely, their eyes are shining, there is no way, the kick of Lin Ziming just now is so handsome, it is completely the male in the movie. The protagonist!

“What are you guys doing in a daze, give it to Lao Tzu! Kill him!!!” Ma Long shouted angrily. He has grown up so that he has never suffered such a grievance, especially when he recognizes a new elder brother. The real big man came from a mysterious and powerful organization. From that time on, he walked sideways in the circle. No matter how big a mistake he caused, his elder brother could help him settle.

And now, he was beaten by someone, and he was still a small person who didn't look very good, but he was pissed off!

He vowed that he must let this little man die tragically, otherwise it would not be enough to relieve his anger! !
