

Chapter: 460

His horses were obedient, and immediately swarmed up. Several of them were still the masters who often fought. They were good at rushing up with bare hands. Instead, they copied wine bottles on the wine table and used them as weapons.

I have to say that this scene is not small. At least thirteen or four adults rushed forward menacingly. If they were ordinary people, they would have been scared into fools.

The fact is also true. Except for Lin Ziming, Ning Yuning and others saw this situation, they all screamed, fear to the extreme. They are big stars, but they are also ordinary people. They are all civilized people, and they rarely fight with others, let alone encounter such troubles.

Ye Piaoyang also had an ugly face, panicked and regretted, in his opinion, Lin Ziming must be planted this time! And Lin Ziming was invited by him to come over for dinner. If something went wrong, he would definitely not be able to escape the responsibility.

If he had known this long ago, he shouldn't have invited Lin Ziming over for dinner tonight, and nothing like this would happen.

Now he regretted to the extreme in his heart, whether it was Ma Long or Lin Ziming, he could not afford to offend him.

Ma Long stood up again, he sneered, relieved and happy, as if he had seen Lin Ziming being beaten by everyone, kneeling on the ground begging for mercy!

However, he soon saw that Lin Ziming was not a little timid in the face of this danger, but instead showed an expression of disdain.

Lin Ziming was indeed very disdainful. Even if he was injured by a dozen or so pieces of waste wood, he would not be worthy of being the best child in the history of the Lin family.

When they rushed up, Lin Ziming moved. He put his arm around Ning Yuning with one hand, said in a low voice, closing his eyes, and then he began to fight back.

Ning Yuning was originally very frightened and nervous, Liushen Wuzhu was suddenly hugged by a strong arm. She was stunned and forced to close her eyes. Then, she saw the shocking scene.

I saw Lin Ziming put her arm around her with one hand, facing a siege of more than a dozen people, without panic, counterattacking like walking in the courtyard, constantly kicking his feet, and looking at it with a relaxed look. But the speed is very fast, her whole body is constantly rotating in Lin Ziming's arms, and her feet have left the ground several times, and she has experienced a feeling of flying!

Bang bang bang bang...

Lin Ziming quickly put these dozen dandies down, and he didn't suffer any

injuries at all. After a series of actions were performed, they were extremely elegant and unrestrained, which was completely violent aesthetics.

The box quieted down suddenly, everyone opened their eyes and looked at Lin Ziming incredible, especially the female celebrities Yang Xiaomi. They are completely dumbfounded now, and they can't close their mouths! They didn't even think that Lin Ziming was able to fight like this, and he could put a dozen people down with his arms around one person. This is exactly the martial arts master that only appears in the movie!

Ning Yuning is even more needless to say. Now she can lay an egg in her mouth. She raised her head and looked at Lin Ziming in a dazed manner, full of shock and admiration. Just now, she has been hugged by Lin Ziming, which is what she can feel most. That kind of "flying" feeling!

Ye Piaoyang had just gotten up, seeing Lin Ziming this scene, he almost fell, the expression on his face was indescribably funny!

Now he suddenly remembered what Lin Ziming had just said, his skill is very high, there is no need to hire a bodyguard. At the time he thought Lin Ziming was joking, but now it seems that people are not joking at all, but are serious!

As for Ma Long, his pupils shrank sharply, thinking that he had hallucinations. How could this country boy be able to fight like this?
