

## Chapter: 461

Lin Ziming's face was calm, there was no expression on his face, there was no feeling of excitement or excitement at all. He just did something not worth mentioning. He let go of Ning Yuning and said, "Miss Ning, no Sorry, the situation was urgent just now, and it was Meng Lang for you."

When Ning Yuning left Lin Ziming's arms, she still felt a sense of loss!

This made her blush, and shook her head hurriedly and said, "No, nothing, it should be me thank you, thank you for saving me."

Lin Ziming smiled slightly and said, "It's just a matter of effort."

Several female celebrities Yang Xiaomi saw this scene, and they came back to their senses, and they were almost sour! He kept scolding Ning Yuning as Hu Meizi and robbed them of their men. Yes, now they all regard Lin Ziming as their own man. Isn't it right, rich, good figure, able to fight, and so polite, he is simply the legendary Prince Charming!

As for Lin Ziming's looks not handsome? Fart, Lin Ziming's appearance is not as good as Wu Fanyi's kind of milky niche, but he can definitely be called a handsome guy. The more you look at it, the more flavorful, full of masculinity. Now in the era of small fresh meat, It is precisely this kind of hardcore man who is the most rare!

So they are all springing up now.

Lin Ziming didn't take care of this, he walked to Ma Long.

Ma Long was a little scared of him, stepped back, hit the wall behind, swallowed, and said sternly, "You, what do you want to do?! I warn you, don't mess around, my dad. But Ma Kaiyu, chairman of Kunlun Group!"

Lin Ziming didn't care about him, but continued to walk towards him until he was in front of him, staring at him coldly, and said, "It's glorious to bully a woman?"

Ma Long gritted his teeth, a little embarrassment flashed across his face, but immediately he snorted heavily and said, "It's your shit, I want you to do things?"

Lin Ziming smiled, then he slapped Ma Long's face with a slap, slapped it loudly, and directly beat Ma Long to blood.

"you....."

Ma Long was angry and wanted to fight back. He was originally an unruly character. He was so old that he hadn't been beaten before. The character can be said to be arrogant and domineering. Now the slap Lin Ziming gave him annoys him. , But he didn't have time to fight back, and was slapped by Lin Ziming again.

This slap was heavier than before.

Ma Long started to fight back, but where he was Lin Ziming's opponent, he was beaten up in three or two. Knowing that he had kicked the steel plate this time, he quickly begged for mercy: "Don't fight, don't fight, I was

wrong and wrong... ..”

He was crying in his begging for mercy.

Everyone in the box was shocked by this scene. In the hands of Lin Ziming, the invincible Ma Long was like a child, only to be abused, and completely unable to resist!

Especially for Ning Yuning, it left an indelible impression on her heart!
