

Chapter: 462

Lin Ziming accepted it as soon as he saw it, but he didn't go too far.

"I will see you bullying women in the future, and I will see you beating once." Lin Ziming said in an elder voice, "I heard nothing."

Ma Long was completely afraid of Lin Ziming now. Hearing Lin Ziming's words, his neck shrank a little. In front of Lin Ziming, he seemed to have returned to the fear he had when facing the head teacher when he was a child. He nodded and said: "I heard that. Never dare to do it again!"

Lin Ziming turned around and said to Ye Piaoyang and the others: "There is something wrong, let's go back to eat."

Ye Piaoyang and the others still haven't recovered. What happened just now is very subversive to them, especially Ye Piaoyang. He knows the identity of Ma Long, the son of the Kunlun Group, and he is not easy to provoke.

Now that Lin Ziming slapped Ma Long like this, it would be equivalent to slap Ma Kaiyu on the face. Ma Kaiyu's character would definitely not give up!

He moved his mouth and wanted to say something, but in the end he still didn't say anything.

He believes that people at Lin Ziming's level must have their own sense of measure, and will not rely on their own hobbies. Since Lin Ziming knows Ma Long's identity and dares to teach Ma Long this way, then it shows that Lin Ziming has a certain degree of reliance. !

Gradually his mind cleared up, and he thought of Lin Ziming's background. Since Lin Ziming came from the Lin family, he was indeed not afraid of Ma Kaiyu.

After returning to the box, the atmosphere immediately changed. They all didn't speak, all staring at Lin Ziming with various expressions.

Lin Ziming had just been drinking, and he didn't have any food to eat. After exercising just now, he is a bit hungry now, so he is not welcome anymore. He started to feast on, filling his stomach first.

Soon he realized something was wrong, and raised his head and said, "Why don't you eat anymore, what are you doing while looking at me, is there anything on my face?"

Ye Piaoyang quickly poured wine to Lin Ziming, the expression on his face hesitated for a while, and then asked: "Lin Dong, you just beat Ma Long, are you afraid of his father Ma Kaiyu's revenge?"

Lin Ziming smiled and said, "Do you think I should be afraid of Ma Kaiyu?"

Ye Piaoyang hurriedly shook his head and said, "No, no, no! I don't mean it, but Ma Kaiyun is the chairman of the Kunlun Group, and his personality is more vengeful. I am afraid that Lin Dong will suffer in the future."

Lin Ziming naturally understands these things. Ma Kaiyu is the chairman of the Kunlun Group. He has a lot of energy, but to Lin Ziming, it is nothing. Originally, he didn't even want to beat Ma Long. After all, he is a low-key person, but in the situation just now, Ma Long was bullied to his head. If he didn't fight back, he would be insulted by Ma Long. As far as his identity is concerned, this kind of thing is definitely not acceptable.

If this is the case, then it is better for him to do it first, and in this matter, once he does it, he is already having an affair with Ma Kaiyu. Now that he is guilty, he might as well be a bit more wicked and beat a second generation ancestor like Ma Long. Let's talk about it when it's cool.

Moreover, he also looks down on dudes like Ma Long, and takes bullying women as pleasure, which is simply a scum among scum.

Lin Ziming smiled and said, "Then I can't just watch Ye Dong and Miss Ning being bullied, right?"

Ye Piaoyang was a little moved, punished himself for a cup, and said: "Dong Lin, I blame me, you are tired!"

Lin Ziming waved his hand and said, "Ye Dongyan is serious, it's hard to talk about being involved. I don't even see a little Ma Kaiyu in my eyes."
