

Chapter: 464

Yang Xiaomi and others are stiff!

What's the situation? They were obviously the ones who took the initiative.

Why did Lin Ziming even call for Ning Yuning to send him back!

This is not fair, is it because Ning Yuning looks the most beautiful!

by!

Especially Yang Xiaomi, she was really unwilling, obviously she had acted so blatantly, but Lin Ziming still wanted Ning Yuning.

Ye Piaoyang looked at Ning Yuning's eyes become ambiguous, and said meaningfully: "Yuning, since Lin Dong asked you to give it away, then you must behave well, but you can't let Lin Dong down, you know.?"

Ning Yuning's heart was like chicken blood, almost to its extreme, her pretty face was flushed with bleeding, she nodded, and said shyly, "Well, I know..."

Lin Ziming was speechless when he saw this scene. Does his feelings look like a pervert himself?

Finally, under the envious and jealous eyes of Yang Xiaomi and other stars, Lin Ziming and Ning Yuning left together.

It was said that Ning Yuning sent Lin Ziming home, but it was actually the other way around, because Ning Yuning didn't even have a driver's license. Of course, they all drank tonight, it is impossible to drive.

"Miss Ning, where is your home, I'll take you home first." Lin Ziming said first after getting on the car.

The ruddy on Ning Yuning's face has not disappeared, and she was in a state of trance. She didn't hear Lin Ziming's words. After Lin Ziming repeated it again, she came back to her senses, ah, and said: "Dong Lin, what are you talking about?"

Lin Ziming's eyes rolled again, and she had to repeat what she said just now, but Ning Yuning misunderstood again, thinking that Lin Ziming was planning to be at her house. The red glow on her face was deeper, and she bit her lip gently and told Lin Zi Ming location.

Lin Ziming knew that Ning Yuning had misunderstood, but he didn't bother to explain, and directly asked the driver to drive to Ning Yuning's house.

The car was very quiet, except for the melodious music, there was no sound.

Ning Yuning's heartbeat has been fast, and her mind is also messed up, she can't calm down at all, she has been thinking about what will happen when she arrives at home!

Although she has always maintained her innocence in the entertainment industry, she is not an ignorant little girl, she still understands men and women.

At the thought of that kind of thing, she blushed so much that she couldn't get rid of the blush.

She couldn't help but secretly look at Lin Ziming next to her, and found that Lin Ziming closed her eyes, closing her eyes and resting, very quiet, motionless, she didn't know if she was asleep?

She peeped from time to time, and after a long time, she found that Lin Ziming had woken up, but still slept quietly, as if he was really asleep. So she began to pluck up the courage to look at Lin Ziming intently.

From this look, I found that although Lin Ziming is not very handsome, he is really flavorful and endearing, especially when he is profiled, he looks particularly determined and masculine, and is particularly masculine. A man of style, she is rarely seen in the entertainment industry.

Especially the self-confidence that Lin Ziming showed just now, the ability to control the audience, she feels that Lin Ziming is more and more attractive!

Suddenly, an idea appeared in my heart...

It seems that giving your own to the man in front of you for the first time is not a big loss, it's better than giving those big belly fat guys, right?

In fact, when entering the entertainment industry, Ning Yuning also knows that it is difficult for herself to stay out of the mud and not stained. Now she still has some talents to support. Ye Piaoyang will protect her, but one day her talent will come. When the time comes, she will be overwhelmed...

Looking at it, Ning Yuning was a little silly.

At this moment, Lin Ziming suddenly opened his eyes, looked at her weirdly, and said, "What have you been looking at me for?"
