

## Chapter: 465

“what?!”

Ning Yuning was taken aback, and immediately backed away, but in a hurry, she knocked her head to the ground. The pain caused her tears to flow out, and a bag was still on her forehead.

Lin Ziming: “.....”

He was really speechless, how clumsy Ning Yuning was, completely inconsistent with the high-cold image on the Internet.

“Are you in trouble?” Lin Ziming asked concerned.

Ning Yuning felt very embarrassed, and she wished to find a place to sew in. What happened to her? She was too stupid. She actually knocked her head on her head and made an embarrassment in front of Lin Dong!

“No, nothing...” She said so, but the pained expression on her face couldn’t hide her.

Lin Ziming sighed and said helplessly: “Come here, let me help you blow.”

“Ah? No need!” Ning Yuning was taken aback.

Lin Ziming didn’t care about her, moved directly over, held her head, and blew gently. The cold air blew on Ning Yuning’s wound, and she immediately felt much better.

She raised her head and fixedly looked at Lin Ziming, who was close to her. At this moment, she felt that time seemed to have stopped flowing.

“Okay, after you go back, just rub it with some medicine, and it will be cured in two days.” Lin Ziming let go and said.

After Ning Yuning was let go by him, there was still a deep sense of loss in her heart.

After a while, the car stopped and arrived at the community where Ning Yuning was staying. Lin Ziming said, “Okay, your house is here. Go back and rest early. I’ll go back first.”

Ning Yu Ning was taken aback and said, “Dong Lin, aren’t you going to my house?”

“When did I say I was going to your house?” Lin Ziming asked back.

“But... you asked me to send you, not me...” Ning Yuning was embarrassed to continue, she is a shy person, such a thing is really true to her It’s too shame.

Lin Ziming smiled and said, “You think too much. I just want to go home. It’s okay, it’s not early, you can go back.”

Ning Yuning got off the car in a daze, she really couldn’t figure it out now, didn’t Lin Ziming want to be with her? Why did you leave? Is it because you look down on her? Or is Lin Ziming not that kind of superficial man?

After returning home, Ning Yuning kept thinking about this problem, which caused her insomnia.

Lin Ziming didn’t think so much at all. After returning to the big villa in

Yulong Bay, he took a shower and immediately started investigating Ma Long.

I met Ma Long tonight, and instinctively told him that Ma Long is not that simple.

However, he used his energy to investigate for more than an hour, and nothing was found. Ma Long's information is very simple, he is the son of Kunlun Group Ma Kaiyu, other than that, he has no other identity.

"Am I really wrong?" Lin Ziming frowned.

At the same time, in a high-end clubhouse, Ma Long, who was taught by Lin Ziming just now, did not go home to find Ma Kaiyu immediately, but came to this place and found the man in front of him who really enjoyed a massage.

"Big brother, you are going to help me this time, I was beaten!" Ma Long added more jealously and said what had just happened...
