

Chapter: 466

This man is in his thirties. His muscles are extremely smooth, full of strength, and his skin is particularly firm. It takes a lot of effort for a technician to massage him. A discerning person knows that he is a martial artist at a glance, and his strength is not low.

After listening to Ma Long's words, he turned over, slapped Ma Long, and cursed unceremoniously: "Useless waste."

It was also slapped, Ma Long was particularly angry and arrogant after being slapped by Lin Ziming, but now he was slapped by this man, but he didn't dare to put a fart, and was even more panicked and fearful, and then gave himself Two slapped, "Big brother is right, I am a trash, I am a trash!" If people who know Ma Long saw this scene, they would be surprised. They would never have thought that Ma Long, who was so arrogant and invincible, would be so humble in front of a person.

The man waved his hand and said, "Okay, you don't have to be miserable, tell me what the other party's name is."

Ma Long said immediately: "Big brother, I have found it clear. That guy is Lin Ziming, the chairman of Ziqiong Media. He has some money, and Ye Piaoyang will bring a bunch of female stars to cheat him. Of course, he's here. It's not like a fart in front of Big Brother."

"Lin Ziming?"

When the man heard the name, he frowned slightly, said it twice, and there were some memories on his face, as if he had heard of the name somewhere. Ma Long snorted in his heart and asked cautiously: "Big brother, do you know this guy? Isn't he also a member of the organization?"

Now Ma Long is afraid that Lin Ziming is also a member of the organization, so he can't avenge his revenge, so he must apologize to Lin Ziming!

"Lin Ziming, Lin Ziming..." Suddenly, the man suddenly sat up from the bed, his pupils enlarged suddenly, and said excitedly: "Grass, it's him?!"

Malone was immediately taken aback by his reaction. In his impression, the eldest brother had always been very steady and calm in everything he did. He had never been so surprised before. This made his premonition even worse, shouldn't it, he really kicked the iron this time!

"Big brother, I was wrong. I didn't know Taishan. I offended the big people in the organization. Please help me." Ma Long shuddered and knelt down directly to the man. His behavior made the big brother extremely uncomfortable. Then he said, "Ma Long, what are you doing? Who said Lin Ziming is a member of the organization?"

"Huh?" Ma Long was stunned, with a dumbfounded look. What's the situation? This Lin Ziming is not a member of the organization, why is the eldest brother so surprised?

The man showed an intriguing expression and said, “Ma Long, get up, you have done something this time.”

The second monk Ma Longzhang couldn't figure it out, and said, “Brother, I, I don't quite understand, do you know this Lin Ziming?”

The eldest brother lit a cigarette, he waved his hand to let the technician out, and then said: “You can tell me something more.”

Ma Long didn't know what the big brother meant, but he said it honestly. After the incident, Ma Long said again: “Big brother, Lin Ziming seems to be able to fight. I can't beat him with the moves you taught me.”

The eldest brother smiled and said: “It is normal that you can't beat him. He is the best genius of the Lin family. The most important thing is that he is the son of our saint, and his genes are much stronger than ordinary people.”

“Wh, what?!” Ma Long opened his eyes wide in fright, and said, “He is the son of the saint of Luo Tian organization!”

“Not bad.” The eldest brother nodded and said, “But don't worry, his existence is a stain in our organization. I didn't expect that Lin Ziming would dare to stay in Huacheng. This is interesting... ..”

Looking at the sneer of his elder brother, Ma Long couldn't help but shudder, feeling cold in his hands and feet, and at the same time could not help sympathizing for Lin Ziming. Now Lin Ziming was targeted by the eldest brother, and he would definitely end up miserably.
