

## Chapter: 467

Thinking of this, he couldn't help laughing.

.....  
Lin Ziming was on fire. The reason was that he was photographed when he sent Ning Yuning back that night, and it was posted on the Internet, and it was immediately on the hot search.

Who is Ning Yuning, but nowadays the hottest star in the entertainment industry has several titles, and he is also a house goddess, master of jade women, and a lot of fans.

I don't know how many people regard Ning Yuning as the lover of their dreams, and they want to meet Ning Yuning in their dreams. Ning Yuning has never coaxed any scandals, so fans are so loyal to her.

As a result, Ning Yuning was photographed meeting with a mysterious man? This is big news in the entertainment industry, so it rushed to the hot search at a very fast speed, and almost squeezed the meager server!

Fortunately, because it was relatively late at the time, and Lin Ziming didn't seem to be photographed clearly, only the outline was captured.

Even so, as long as someone knows Lin Ziming, it is not difficult to recognize Lin Ziming.

For a while, the Internet was condemning who was this hateful man who had a tryst with Ning Yuning.

“Sister, it's awful, brother-in-law has hooked up with the big star!”

In the Chu family villa, Chu Tian was swiping his cell phone and suddenly called out loudly, very excited, and everyone was shocked.

Today is the once-a-month gathering of the Chu family. People from the Chu family gather for a meal. Everyone can hear his voice.

Since Chu Fei became the chairman of Shengke Lighting, her status in the Chu family has been much higher.

Of course, this was only on the surface. In fact, the whole Chu family saw her as unpleasant and rejected her very seriously. She didn't want to come to this party at first. It was her parents who pulled her and insisted on coming over.

Chu Fei frowned, and cursed unceremoniously: “Chu Tian, what are you doing? I was surprised at a meal.”

Chu Tian hurried over and showed her mobile phone to Chu Fei, “Sister, take a look for yourself, brother-in-law has been searched hotly. It turns out that the mysterious man who had a tryst with Ning Yuning last night is brother-in-law!”

This sentence, like a bomb, exploded at the scene.

Who is Ning Yuning? But now the famous big star, whose annual income is tens of millions, actually meets Lin Ziming? This is funny!

Chu Fei was stunned for a moment, and then she looked into the phone, and she saw the figure standing with Ning Yuning in the photo, which was very

intimate, although it was only in profile and not clear yet, As Chu Fei, who had lived together for four years, she could still tell at a glance that this man was Lin Ziming.

For a moment, the corners of Chu Fei's mouth twitched fiercely, making her heart particularly uncomfortable.

The other people in the Chu family also reacted and quickly took out their mobile phones to scan to see if it was true.
