

Chapter: 475

Originally, Liu Suhong and Chu Huaxiong were in a bad mood, but now suddenly someone slapped the door so hard, as if they were about to tear down the door, which immediately angered them and raised their brows.

“Who! I slapped the door so hard, hurry to reincarnate!” Liu Suhong cursed and rolled up his sleeves, and walked over to open the door.

She opened the door and immediately saw a group of people standing at the door, including Chu Xuan, leaning against a young man’s arms.

“Chu Xuan, it’s you? You still have the face to come to my house?” Liu Suhong said in a bad tone, “And you, you die, you slap the door so hard, if you smash my door, will you pay for it! ”

Chu Xuan snuggled in Ma Long’s arms, and said, “Brother Long, this woman is Chu Fei’s mother and Lin Ziming’s mother-in-law.”

When Ma Long heard this, some gloom flashed in his eyes and strode in.

Liu Suhong immediately cursed: “Hey, what are you doing, who approved you to come in, get out of here! Otherwise, I’ll call the police!”

“Noisy.”

Ma Long directly pushed her away rudely, with great strength and without a little politeness. With a bang, Liu Suhong hit the wall, hitting the back of her head, and she grinned in pain.

Chu Huaxiong was reading the newspaper in the living room and seeing this scene, he immediately stood up and said loudly: “Hey! Who are you and who let you in...Chu Xuan? Come to our house. What are you doing, who are these people?!”

Chu Xuan snuggled in with Ma Long and said with a smile: “Where is Chu Fei, tell her to get out, our Long brother will look for her.”

They rushed in, and almost ten people filled the room.

At this point, Chu Huaxiong couldn’t see where he was. The group of people were here for trouble. He immediately said loudly, “Hey! I order you to get out of here, or I will call the police!”

As he said, he took out his cell phone and was about to dial 110. However, just after he took it out, a young man stepped over, grabbed it, and then slammed to the ground. Fragmented.

Then, Chu Huaxiong was pushed and fell to the ground. Ma Long stared at him condescendingly, and cursed: “Old man, I warn you, it’s better to be honest with Lao Tzu! Lao Tzu is here today to find Lin Ziming. Animals, you behaved, just hand him over, otherwise, I will let you go around without eating! You know?”

Came to find Lin Ziming?

Feeling their fierceness, Chu Huaxiong couldn’t help but shudder, and began to be afraid. He was originally a timid person, otherwise he would not be so afraid. He has never seen such a scene in his life. Trembling.

Liu Suhong was also aware of the danger. She screamed: “You have found the wrong person. Lin Ziming is not in our house. He has divorced my daughter a long time ago. What he caused has nothing to do with us!”

“What? Divorced?” Ma Long frowned and looked at Chu Xuan, his eyes a little angry.

Chu Xuan hurriedly explained: “Brother Long, don’t listen to her. She must be lying. Just a few days ago, Lin Ziming was with them to buy a villa in Yulong Bay, a big villa of 40 million yuan. Yeah! It’s impossible for them to get a divorce. As long as Chu Fei makes a call, Lin Ziming will definitely rush over.”

“Chu Xuan! Are you still a human?! We are your relatives, you betrayed us like this!” Liu Suhong cursed sharply, pointing at Chu Xuan, extremely angry.

However, Chu Xuan didn’t take it seriously at all, and she showed a disdainful smile.

“Brother Long, don’t worry, Chu Fei is also at home, as long as Chu Fei makes a call...”

Speaking of this, suddenly the front door was opened, and Chu Fei, who was wearing overalls, walked out. Seeing the scene in the living room, she was immediately stunned, and Chu Xuan was overjoyed, pointing to her and said sharply: “Brother Long, she! She is Chu Fei, Lin Ziming’s wife!!”
