

Chapter: 476

Chu Xuan yelled loudly, even harshly. In an instant, everyone looked at Chu Fei.

Ma Long saw Chu Fei, a look of greed clearly appeared in his eyes, and he looked up and down Chu Fei.

I'm not afraid of not knowing the goods, I'm afraid of comparing goods, Chu Xuan's appearance is quite outstanding, but compared with Chu Fei, it is still too much difference, it is simply the difference between a maid and a young lady, so Ma Long saw At that moment Chu Fei, his heart was immediately moved.

And when Chu Fei saw this scene, she finally recovered and said loudly, "Hey! Who are you? What are you doing at my house! Dad, mom..."

She saw Chu Huaxiong sitting on the ground, and was immediately shocked, and hurried over to help Chu Huaxiong up.

"So this is Lin Ziming's wife, she doesn't look bad." Ma Long whistled and said eloquently, keeping his eyes on Chu Fei's body. That way, it would be as wretched as it was.

With that said, he was about to walk over to take advantage of Chu Fei.

Chu Fei was taken aback, hurried back, and said loudly, "Get out of here, or I will call the police!"

Ma Long was angry, but he joked even more, as if he had found a funny toy, and said, "Oh, I don't think it's quite strong, yes, I like it very much. You are Lin Ziming's wife, when the time comes It's more sensational to play, hahaha..."

When Chu Fei heard this, her heart jumped. Is this person looking for Lin Ziming?

Ma Long continued to move Chu Fei, Chu Xuan was itchy. It took her a lot of effort to please Ma Long. On the way here, I don't know how much advantage Ma Long had already taken. Ma Long had this thigh, and as soon as Chu Fei appeared, she made Ma Long 'transferred love'. She was so angry!

Since she was a child, Chu Fei has suppressed her. Not only did she study better than her, she was more beautiful than her, and there were even more people who pursued Chu Fei than her! Why!

She quickly stood up and said: "Brother Long, don't touch her, she has AIDS!"

Hearing this, Malone was shocked immediately, and quickly stepped back two steps, "What?! AIDS? I'm grass!"

People like him are most afraid of encountering AIDS. Once they get caught up, their life will be over.

Liu Suhong was very angry and yelled: "Fart, you only have..."

But she didn't finish her words, so she was stopped by Chu Fei. Chu Fei's

reaction was not unpleasant. Chu Xuan's words helped her in a sense, at least Ma Long didn't dare to do anything to her. .

So she confessed generously, and deliberately scolded in angrily: "Chu Xuan! You stinky woman, you actually shake out my secret, didn't you promise me that you would never say it!"

At this moment, Chu Fei's acting skills broke out, and a secret was discovered, and she was anxious and frustrated.

Chu Xuan was taken aback for a moment, and then she wanted to understand Chu Fei's thoughts, and snorted disdainfully, without any explanation.

As a result, Ma Long became even more afraid of Chu Fei, completely looking at the expression of a plague god. However, he still felt a pity in his heart that such a beautiful woman actually had AIDS. It was too unlucky!
