

## Chapter: 478

Liu Suhong couldn't stand it anymore, panting, and seeing Chu Fei being beaten, her heartache was extremely painful!

"That's the right thing. If you did this early, where would you suffer from flesh and blood? Haha!" Ma Long laughed loudly, as arrogant as it is.

"Mom! No! Don't call Lin Ziming, I beg you!" Chu Fei immediately shouted excitedly.

Chu Xuan said in a weird manner: "Oh, Sister Feifei, I don't see that you are quite affectionate for Lin Ziming. It's this juncture. You still protect Lin Ziming like this, tusk, it's really enviable!"

Liu Suhong said, "I will call Lin Ziming and let him come over. You must not beat my daughter again, please."

She trembled and took her phone out of her pocket, and she was about to call.

Chu Fei shouted more excitedly, hysterically, "Mom! I beg you, don't call Lin Ziming, he will die, woo..."

She cried so much that it was so pitiful, and her face seemed to be covered with tears, which was heartbreaking.

However, with the exception of Liu Suhong and Chu Huaxiong, no one else would sympathize with him at all. Instead, like Chu Xuan, they laughed happily, and their faces flushed with excitement. The more miserable Chu Fei, the happier she would be!

Liu Suhong was also annoyed and cursed loudly, "Fei Fei, are you stupid? When is this going to protect Lin Ziming? Obviously it is him! Why should we bear it! If he is really in his heart With you, we won't be divorced with you, let alone hurt us. You still protect him now, your mind is flooded!"

Chu Fei gritted her teeth, tears streaming down her cheeks. In fact, she didn't know why she wanted to cover Lin Ziming like this. It was obvious that she didn't love Lin Ziming, but she wanted to cover Lin Ziming on the other hand. She also doubted herself. I'm flooded in my mind.

However, if she wanted her to betray Lin Ziming and watched Lin Ziming being tortured with her own eyes, she couldn't do such a thing!

"Mom, Lin Ziming has saved me many times and the family many times. We can't do this to him." Chu Fei pleaded.

Ma Long immediately became annoyed, grabbed Chu Fei's hair, raised her face, and cursed: "Toast, not eat or drink fine wine, at this point, you have saved you many times and can't betray him, right! It seems! If I don't show you some color, you won't know the seriousness of this matter!"

With that said, Ma Long was about to continue beating Chu Fei.

When Liu Suhong saw this scene, she yelled out like crazy, "Don't beat her, don't beat her! I will call Lin Ziming now! I will call Lin Ziming now..."

Ma Long let Chu Fei go. After Liu Suhong made the call, he snatched the

phone directly. After a while, the call was connected and Lin Ziming's voice came, "Hey, mom, are you looking for me? "

Because Ma Long turned on the speaker, Lin Ziming's voice was heard by everyone. After Chu Fei heard it, her pupils suddenly shrank.

Ma Long showed a malicious smile on his face and said to the phone, "Lin Ziming, but I finally found you. You are really mysterious."

Lin Ziming was having a meeting in the newly opened advertising company. He received a call from Liu Suhong and felt very curious. Usually Liu Suhong rarely called him. This would suddenly call him, which was a bit abnormal.

But after he answered the phone, the voice of a man came from the microphone, and it sounded a little familiar.

Soon, Lin Ziming heard it out, this was Ma Long's voice!

In an instant, he got up from his chair, shocking the others in the conference room.

He pressed the void with his right hand and motioned them to continue the meeting. Then he walked out of the meeting room and said in a deep voice, "Ma Long, if you dare to touch one of their hairs, I will make you worse off than death."
