

## Chapter: 479

Lin Ziming's voice was extremely cold, full of anger and murder. Even after the phone call, Ma Long still felt a bitter chill, and couldn't bear to feel a little frustrated.

However, he immediately returned to normal, and he became annoyed, and said angrily, "Yo, dare to threaten me? Okay! Then I have to see how you made me worse than death."

Then, Ma Long squatted down in front of Chu Fei and said to the phone: "Now your wife is in my hands, how about it, do you want to listen to her voice?"

Ma Long grabbed Chu Fei's hair and pushed her phone in front of Chu Fei, "Speak, let your husband listen."

Chu Fei bit her lip hard and refused to speak. Her behavior angered Ma Long, and Ma Long slapped her face with another slap. With a slap, it was extremely loud and clear to Lin Ziming.

Lin Ziming punched the wall next to him with a loud bang, and it cracked the wall with a loud bang, shocking the few people passing by.

Lin Ziming rarely has the urge to kill, and now he wants to kill Ma Long! Ma Long dared to find Chu Fei's house and kidnapped Chu Fei's family of three. This approach completely broke Lin Ziming's bottom line!

"Enough! I'll rush over now!" Lin Ziming said loudly, and a few words popped out of his teeth: "Ma Long, you are still a man, don't embarrass a woman, just come at me if you have anything!"

Ma Long suddenly smiled and was about to speak. Chu Fei was shocked when she heard this, and hurriedly called out: "Lin Ziming, you must not come over, they will kill you! Don't worry about me, just call the police for me. Great....."

Chu Fei didn't finish her words, and was slapped to the ground by Ma Long, "Smelly bitch, shamelessly."

Then, Ma Long said to Lin Ziming on the phone: "You have heard clearly, if you dare to call the police, I will let my staff manage this slut, and I will also post it on the Internet for everyone. enjoy."

Lin Ziming took a deep breath, clenched his fist, and made a squeaking sound. If Ma Long was here, he could see the fire in his eyes, like a demon rising up in hell, about to destroy the world. .

"Well, where are you, I'll rush over right away!"

"Very well, I'm at your wife's house. Remember, you have to come alone, otherwise you will never see your wife again."

After speaking, Malone hung up the phone.

Lin Ziming heard the busy tone on the phone, squeezed the phone directly!

There is a raging fire in his chest now, almost burning this person.

Taking a deep breath, he tried to calm himself down, counted down three

times in his heart, then opened his eyes and walked away.

Along the way, he drove the car, rushing to Chu Fei's house at the fastest speed. He didn't know how many red lights he ran, and he was on the local news at one time.

He swears that Ma Long will surely make life worse than death, even if Ma Long is the young master of the Kunlun Group, he will die too!

Finally, it took only ten minutes for Lin Ziming to drive there, which originally took half an hour. In the urban area, his average speed has reached more than eighty.

Downstairs, he saw two brawny men standing there, seeing that he was coming by himself, showing a joking expression, holding an electric baton in his hand, he was about to stun Lin Ziming. However, they didn't even run into Lin Ziming, so they were kicked out by Lin Ziming, slammed into the wall behind, and passed out to death.

Lin Ziming's expression remained the same, as if the ice that never melted for a long time, all the way up.
