

Chapter: 488

It was wrong, it was jealousy, Lin Ziming saw it, and the other party was jealous that he was the son of the saint.

Before that, Lin Ziming didn't know anything about the Luo Tian organization. He just knew that this organization was mysterious and powerful. His mother came from this organization, but what is the nature of this organization and where is the headquarters? I don't know.

And now, after contacting Ma Long's eldest brother, he has a vague understanding of Luo Tian organization, and depending on the situation, the status of the mother in the organization is not low, the "saint" should be the identity of the mother, not the name. As a result, he became more interested in Luo Tian organization.

The other party's vitality is very strong. He has received such a severe injury, and he still has no breath. He is just coughing and dying. Now he has completely lost his high posture just now, and he is beginning to fear death. "I don't have any patience." Lin Ziming said coldly, stepping on the opponent's chest harder.

As a result, the other party screamed even more severely, and his whole body was convulsed in pain. At this moment, he felt Lin Ziming's murderous intent. If he didn't say it, Lin Ziming would really kill him. He had a strong desire to survive. Ask him to shout quickly: "Lu Dongbin! My name is Lu Dongbin!! Please don't kill me, please."

Lu Dongbin? The dog bites Lu Dongbin who doesn't know people's hearts? Lin Ziming was startled, then he lifted the opponent with one hand, pinched his neck, and cursed coldly: "I'm dying, so you dare to tease me? I think you are really not afraid of death, right!"

With that, he began to exert force.

"No! I'm really Lu Dongbin. This is my code name. The members of our organization use the names of gods as their code names. My real name is Zou Zhengye. It's true. I didn't lie to you. what!"

Lu Dongbin cried and said, his current appearance is extremely embarrassed and miserable, where is the arrogant and extraordinary appearance just now? This strong contrast further brought out Lin Ziming's power, and the eyes of everyone looking at him were more shocked and awed.

Lin Ziming believed what he said. At this moment, he could see that the other party was not lying. This could be seen by his superiors just now.

Lin Ziming sneered disdainfully, "It seems that you Luo Tian organization really regards yourself as a god, even the code name of the god."

Lu Dongbin was a little embarrassed. Now that he is a prisoner and has no capital to negotiate terms, he can only smile and flatter, and said: "Then can you let me go? I promise not to tell you your information."

Lin Ziming smiled immediately: "At this time, do you dare to threaten me?"

It seems that I can only kill you.”

At this moment, a suffocating murderous intent erupted from Lin Ziming’s body, like a landslide and tsunami, which filled the entire house, and everyone’s hearts were unconsciously tightened!

As the person involved, Lu Dongbin felt even more intense. He was completely scared to the extreme, begging for mercy without a trace of dignity, “Don’t kill me, I don’t have any...”

However, he didn’t finish his words, so Lin Ziming looked at the back of his neck with a hand knife, as if the computer was cut off, there was no sound in an instant, and his neck crooked.

This scene, in the eyes of the others in the room, was that Lin Ziming killed Lu Dongbin.

An instant fear and panic crawled into everyone’s hearts, especially Ma Long, who trembled to the extreme.

“You, you, you, you gave him and killed?” Ma Long’s teeth were fighting, and the whole person was trembling.

Did Lin Ziming really kill Lu Dongbin?
