

## Chapter: 492

Even though Chu Fei knew this fact in advance, when she heard Lin Ziming's confession, she was still very touched! The whole body and mind are in a state of absolute shock, the head of the heart is knocked over the bottle of five flavors, all kinds of tastes, all kinds of flavors are rushing to the heart!

She opened her mouth, trying to say something, but she couldn't say anything, and her mind suddenly roared.

The scenes that had happened before, now rushed into her brain violently and reappeared in front of her eyes.

During the first meeting with the chairman of Michelle Harmony, she went to Michelle Mansion by herself. As the president of Michelle Media, Wang Shougui treated her respectfully, not daring to take advantage of her, and even gracious and fearful, sent her Go to the office of Chairman Zi Qiong.

During the meeting with Chairman Zi Qiong, she was wearing a mask, not showing her true colors, and being so polite to her. She was already a lone man and a widow in the room. She was 20 million, in the form of not writing IOUs.

Later, she was deceived by Zhang Yaodong. When she fell into a dangerous situation, Chairman Zi Qiong had the ability to be a prophet and appeared in front of her in time to rescue her. And immediately, she met Lin Ziming... .. And then Han Jinlong's respect for Lin Ziming, that kind of flattery, wait, etc...

Too many coincidences are connected together, now think about it, who else can Chairman Ziqiong be who is not Lin Ziming? Anyone with a little brain can understand this, but she just can't figure it out, and thinks it is Lin Ziming's impersonation!

The point is that Lin Ziming also explained to her that she didn't have the choice to believe and said so many things that hurt Lin Ziming. When she thought of this, Chu Fei's tears couldn't stop, and she burst into tears.

Seeing her crying, Lin Ziming suddenly became confused, "Hey, why did you cry? Wasn't it all right just now?"

When Chu Fei heard what he said, she cried even harder. She couldn't help it, and attracted the attention of a few passersby next to her, thinking that Lin Ziming was a scumbag and did something to hurt Chu Fei.

"Why are you, why..." Chu Fei sobbed, unable to speak clearly.

Lin Ziming saw her so wronged and sad, and thought that Chu Fei still could not accept the fact that he was Chairman Zi Qiong. She was pierced with a needle in her heart, and then forced a smile and said, "You lied. I'm not Chairman Michelle, and you don't want to think about it. If I were Chairman Michelle, I would still be a door-to-door son-in-law at your house for so long. So don't worry, Chairman Michelle is someone else. , He is a

handsome guy. I happen to have a very good relationship with him. I will introduce him to you next day...”

Lin Ziming didn't even say the word 'knowing' at the end, and suddenly opened his eyes wide, full of inconceivability, because Chu Fei actually stood on tiptoe, hooked his neck with both hands, and blocked his mouth.

Boom! Lin Ziming's mind suddenly exploded.

This is the first time they have kissed since they were married for so many years!

In an instant, Lin Ziming turned around, and his whole person fell into a state of chaos.

Chu Fei actually kissed him, even if he felt so real now, he still felt it was an illusion, because it was too dreamy.

Lip points.

Lin Ziming looked at her like a ghost, swallowed heavily, and said, “Feifei, you...”

Chu Fei's face is flushed now, and she is particularly shy, but she has no eyes to escape Lin Ziming. Instead, she mustered up the courage to say, “Lin Ziming, let's remarry.”

“Wh, what?” Lin Ziming was stunned, his mouth widened so that he could swallow an egg.

Chu Fei bit her lip lightly, then leaned to Lin Ziming's ear, and said softly but very seriously: “I said, let's remarry.”

This time Lin Ziming heard clearly, but even if he heard clearly, he was still in a state of dementia.

How do you say that?
