“Chairman, neither of them have good brains. You must not have general knowledge with them.” Han Jinlong pleaded.

Lin Ziming waved his hand, expressing that he didn't care about it, and then said to Lu Dongbin: “Okay, Lu Dongbin, you don't have to pretend anymore. I can feel your vitality now, and you are about to recover half of your physical strength. .”

“Cough, cough, cough...” Lu Dongbin was dying, coughing hard, and said to Lin Zimingshu: “I don't understand what you mean, how much do you do yourself, don't you know, I'm about to die now? Lin Ziming, for the sake of my acquaintance with your mother, can you hold your hands high and let me go, I can give you a lot of money.”

“Oh? How much can you give me, tell me.” Lin Ziming raised his eyebrows, looking very interested.

There was some hope in Lu Dongbin's eyes, he coughed hard, and said, “One billion, as long as you let me go, I will be able to transfer it to your account soon.”

Hearing the number of one billion, everyone else in the room opened their eyes wide and their breathing became rapid. Even Han Jinlong brows and was tempted.

At this moment, Lin Ziming's impression in his mind became even more lofty.

As for the other thugs, even more needless to say, this is the wealth they can't get for ten lifetimes of struggle.

Lin Ziming laughed, “Lü Dongbin, you are all about to die. You still come here, do you think I will believe you? Besides, one billion is just a small amount to me. You think it really can Can you tempt me? If you promise to give me 10 billion, I can consider letting you go.”

Hearing this, Lu Dongbin also understood that it was impossible for Lin Ziming to let him go. He was just playing with him. For a while, his face changed uncertainly.

Then, while lowering his head, he observed the surrounding environment and found a breakthrough, then suddenly violent without warning, began to run in the other direction, intending to jump out of the window and escape!

His sudden uproar shocked Han Jinlong and the others. It was totally unimaginable that Lu Dongbin, who had been injured so badly, still had such surging explosive power, even more agile and quicker than the athletes! And the two strong men standing in front of the window were pushed away easily by him, like children, they couldn't resist at all.

This scene was too unexpected for them, it was completely unexpected to them, especially the two thugs who had expressed dissatisfaction with Lin Ziming just now were even more dumbfounded and completely dumbfounded.

Seeing that Lu Dongbin was about to jump out of the window, one of them moved.

Seeing this scene, everyone in the house was full of shock.
