

Chapter: 500

From breaking the door to slap Lu Dongbin to death, it took a total of two seconds. It can be said that it is a flash of light, and it is difficult for ordinary people to react.

Even if it was Lin Ziming, he did not react in an instant. It was not that his reaction speed was not too fast, but that he saw that the person who broke the door was the ugly man. He was stunned again. When he reacted again, the ugly man Lu Dongbin has been photographed to death.

“Clown!” Lin Ziming’s eyes suddenly widened, and he grabbed the ugly master by the collar, “What are you doing!”

The Ugly Lord let him be caught by Lin Ziming and said, “If you don’t kill him, you have to die.”

Hearing this, Lin Ziming’s reaction was much smaller.

Chou Ye continued: “This person is called Lu Dongbin. He is one of the outer members of the Luo Tian organization. His martial arts are strong and can be planted in your hands. It means that young master, your martial arts has already entered the room. If the young lady can see it, he will definitely be very good. I am gratified. However, with your current strength, Young Master, there is still a long way to go if you want to contend with the Luo Tian organization and rescue the young lady.”

Without going on with the ugly master, Lin Ziming already knew what the ugly master meant, but he wanted to kill him so as not to confide in the news after he let Lu Dongbin go.

“After all, that is a human life.” Lin Ziming let go of the ugly master, sighed, and looked at Lu Dongbin who was silent on the ground, his eyes flashed with regret and intolerance.

Chou Ye also looked at Lu Dongbin on the ground, and said: “Every effort will be accomplished. To be kind to the enemy is to be cruel to yourself. Once Lu Dongbin is released, he will definitely report to Luo Tian organization, and the consequences will be disastrous at that time.”

Lin Ziming naturally knew this truth. He knew that the ugly master was doing this for his own good, and he didn’t blame the ugly master again, but a life was in front of him, and he still couldn’t bear it.

“Young Master, your heart is too kind, this is really similar to the young lady.” The Ugly Master said while looking at Lin Ziming.

Lin Ziming smiled dumbly and said: “Haha, you and Lu Dongbin’s evaluation of me is exactly the opposite. He said that I am not like the saint at all, I am cruel, and the saint is very kind.”

Ugly Master smiled, shook his head and said, “That’s because Lu Dongbin doesn’t understand you.”

While Lin Ziming and Chou Ye were chatting inside, Han Jinlong and others were shivering outside.

The ugly master suddenly appeared with a large group of people just now, looking menacingly. The ugly master still walked in without a word, and he didn't say hello to them, but they were scared to death!

As the so-called shadow of the famous tree of people, the Ugly Lord is too famous in Huacheng. He is a veritable underground emperor. Even the big brothers like Han Jinlong are not enough to see in front of the Ugly Lord, let alone them.

After the Ugly Lord rushed in, they were all controlled by Ugly's dozens of people. They were surrounded like chickens, very helpless, even Han Jinlong was not spared.

Guru!

Someone swallowed heavily and asked cautiously: "Master Han, what are you doing when Ugly ran to us? We don't seem to have offended Ugly, right?"

Others also looked at Han Jinlong in panic.

Han Jinlong knew about the relationship between Ugly Master and Lin Ziming, so he was not worried, and said angrily: "Do you think you really offended Ugly Master, would Ugly Master still be so polite to you? Using Ugly Master's method, I threw you into the sea a long time ago. Don't worry, the ugly master is the chairman of the board. This time he is here to find the chairman."

"Chou Ye is really under the chairman, so the chairman is too awesome! And the chairman looks so young, he has such a lot of energy, it is too strong."

"You're not talking nonsense, don't you see how awesome the chairman was just now? He is a godlike character, otherwise our Lord Han will follow the chairman."

"Since the chairman is so powerful, we have the chairman to back it up, and we will walk sideways in Hwaseong in the future!"

"That must be, starting from today, the chairman is my dad. No, it is more important than my dad!"
