

Chapter: 502

Chu Fei hadn't encountered such an embarrassing thing for a long time, and she didn't want to stay any longer.

She regretted it very much now. She had long known that it was such a gathering, but she would not agree to come over. This time she was fooled.

Seeing all the men and women who hooked their shoulders and put their backs around, doing all kinds of shy behaviors, Chu Fei couldn't stop blushing, she had never felt uncomfortable before!

She came here tonight and was pulled over by an important client. At first, she thought she was here for a meal and met other bosses, but she didn't expect it to be a gathering of this nature! I knew this was the case, and she wouldn't come over if she was killed.

This client is a shareholder of a decoration company and has a strong cooperative relationship with Shengke Lighting. She usually walks relatively close to Chu Fei. She is considered to be a sister. She is also very virtuous and peaceful. , There will be such a different side behind the scenes, actually cheating on the outside! You know, she is already married, and the child is going to junior high school. Now she was hooking shoulders with other men, making various affectionate gestures, and saying all kinds of explicit words. If she hadn't seen it with her own eyes, Chu Fei couldn't believe it was true!

"Ai Chu, sister, I said where did you go? I haven't been able to see anyone, so I came here."

Just after Chu Fei and Lin Ziming finished the phone call, a voice came from behind Chu Fei, and a hand was wrapped around her waist, blowing air in her ear. It was not who, it was the one who brought her here. An important customer.

Suddenly, Chu Fei's muscles tightened, especially her ears, with goose bumps.

"Sister Hong, don't talk in my ear, I'm particularly ticklish." Chu Fei quickly left from Sister Hong, and said uncomfortably.

Sister Hong is a middle-aged woman about forty years old, her figure is a bit out of shape, she started to get a middle-aged blessing. Seeing Chu Fei is so young, in such a good figure, and still looks so beautiful, her eyes unconsciously show envy. With an expression of jealousy, he said, "Sister Chu, my sister was almost like you twenty years ago. She has a good figure and a beautiful face with collagen on her face. It's a pity, it's a pity that time is not forgiving."

When Chu Fei heard this, she laughed and said, "Sister Hong, you are also very young now, and your figure is well maintained."

Sister Hong showed some relief when she heard Chu Fei's flattery. She waved her hand and said, "Don't talk about this, let's go and play. Tonight's

party is very rare. Many high-quality handsome guys in the circle have come over. They see you. I can't move my eyes. Especially that Long Feiyu. He is one of the shareholders of Everlasting Real Estate. He is young, rich and handsome. He is very famous in our circle and is very popular. I don't know how many people want to hook up. Fuck him."

Sister Hong said, pointing to a man in the hall. The man was wearing a white suit with meticulously combed hair, handsome in appearance, tall and straight, and he was the best among men.

When Chu Fei saw it, she had to admit that this man named Long Feiyu was very attractive and was very lethal to women, but she didn't have any attraction to her.

"Sister Hong, I'm already married." Chu Fei said vaguely.

Sister Hong sneered, and said indifferently: "Look at what you said, which of the sisters here is not married? Most of them have children, and they still come out to play in the same way. Not to mention having children, even grandchildren. Many people who have come out to play are, like us, rich women, what is the meaning of life if they don't come out to play? Besides, who has stipulated that only men can come out to play, women can't come out to play? Chu? Sister, I saw you as a good person and brought you into this circle. Don't let me down on my good intentions for you."

Hearing what Sister Hong said, Chu Fei simply wanted Sanguan to collapse, and the more regretful she was in her heart, why did she come to a place like this with Sister Hong!

If it were for another person, Chu Fei would have left, but this person is Sister Hong, a major customer of the company, and she can't offend the other party, so she can only say patiently: "Sister Hong, I'm still not suitable for this. Plant a place, so go back first, right?"
