

Chapter: 505

She was a very traditional and chaste person when she was young, and she really couldn't do these things for her.

Not to mention that the relationship between her and Lin Ziming is deepening now, it is that in the past, when Lin Ziming said the most useless, she did not do such extraordinary things.

But now that Sister Hong has said so, she is not good to give her face, so she has to stay temporarily until Lin Ziming arrives.

Long Feiyu sat down next to her, poured her a glass of red wine, and said with a smile: "Miss Chu, you are not a married person at all. You are too young and pure. I have seen many young women. I don't have the temperament of a young woman at all. I'm really curious, how did you do it?"

Long Feiyu sat down next to her, leaning close, and deliberately hitting her hand on the sofa behind her when speaking, half-body facing Chu Fei, aggressive, and the high-end perfume on her body constantly Chu Fei pierced her nose, which made Chu Fei feel very uncomfortable, so she quickly moved away and kept her distance from Long Feiyu.

"Mr. Long, please don't get so close, I'm already married." Chu Fei said righteously. She grabbed her bag and stood in front of her with a strong sense of defense.

Long Feiyu saw that Chu Fei was so defensive against him, and he was even more unhappy. He didn't show it on the surface. He still kept a handsome smile and said, "Miss Chu, you don't need to be so nervous, I just want to have sex with you. It's just a friend. I heard from Sister Hong, you are the chairman of Shengke Lighting. It's not easy. For a chairman who is so young and beautiful like you, I think you are the only one in Huacheng. I happen to be a real estate agent. Yes, this is my business card, and I often order lighting. If you are interested, we can have in-depth cooperation."

He deliberately pronounced the word "deep" harder, and looked at Chu Fei, the meaning expressed is self-evident.

Chu Fei was a little moved. He had heard of Everlasting Real Estate, which can be regarded as a relatively powerful real estate company in Huacheng. If it can cooperate with Everlasting Real Estate, it is indeed a good thing for Centec Lighting.

She took Long Feiyu's business card, but Long Feiyu's purpose was not pure. When she came to pick up the business card, she deliberately touched her fingertips, with a smirk on her face, and molested Chu Fei.

In an instant, Chu Fei's face changed, she wanted to lose her temper, but she held back.

She took out her mobile phone to send information to Lin Ziming, and wanted to ask where Lin Ziming was. Unfortunately, Lin Ziming didn't

reply, which made her very disappointed.

After that, Long Feiyu came to talk to her on various topics. His skills were extremely superb. Chu Fei had been picked up by him several times, and her heart rate had accelerated. Fortunately, her will was very firm and she would never do anything to betray Lin Ziming, causing all of Long Feiyu's sultry skills to fail. It was like hitting her fists in the air, making Long Feiyu suffocated to the extreme.

Long Feiyu is a very conceited person. In terms of sultry sisters, he thinks he is the number one in Huacheng. There are no women in the world that he can't get. Now the more Chu Fei resists, the more indifferent he conquered* *The stronger! I vowed to take Chu Fei down.

So he tried his best to show off to Chu Fei. It's a pity that Chu Fei remained indifferent, and finally made him a little bit irritated, "Miss Chu, I have served you so many wines, but you didn't drink it once and didn't give me face. Isn't that good?"

Chu Fei still didn't look like oil and salt, and shook her head and said, "I'm sorry, my husband doesn't like me to drink, otherwise he will be angry."

Long Feiyu was completely irritated and smirked, "According to you, your husband is so powerful, that makes you so devoted to him."

"Of course, my husband is the most perfect man in the world." Chu Fei raised her head and said, her eyes gleaming.

When Long Feiyu saw Chu Fei like this, he was still not getting in. He was really annoyed, and he felt hatred for Chu Fei's husband invisibly.

"I really want to see your husband, what kind of person is it." Long Feiyu said with a gloomy expression.

Chu Fei said: "He is on the way to pick me up, you will see it later."

As soon as she finished speaking, Chu Fei's cell phone rang. She took it out and saw that it was Lin Ziming who called her. She was surprised and answered the phone, "Hey, Ziming, are you there yet?"
