

Chapter: 510

After saying these words, Long Feiyu slammed the goblet in his hand to the ground with a bang, smashed to pieces, and added to his majesty. Chu Fei was startled by him. Lived in Lin Ziming's clothes.

Many people were also restrained by Long Feiyu and did not dare to move. The rhythm of the audience was completely controlled by Long Feiyu.

It can be said that at this moment, Long Feiyu is the master of the audience, Lin Ziming and Chu Fei will both endure his anger and accept his trial.

To ordinary people, Long Feiyu's present momentum is indeed great, but to Lin Ziming it is nothing more than that.

"Excuse me, I really don't know where this is. Would you like to tell me?" Lin Ziming said with a smile.

Long Feiyu could still laugh when he saw Lin Ziming's death, he was slightly startled, and then his brows wrinkled deeply! Haze climbed onto his face and stared at Lin Ziming, really angry.

Others also looked at Lin Ziming in surprise, thinking that Lin Ziming was a lunatic, otherwise he would be a fool, and only a fool would make provocations in such an environment. This is completely an act of seeking death.

Long Feiyu smiled in anger, "Hahahaha, interesting, really interesting!" He clapped and smiled on his face, but the aura and coercion exuded were even more terrifying. In everyone's spiritual world, it is the scene of dark clouds pressing on the city to destroy the city, knowing that Long Feiyu is the real Angry, Lin Ziming's end will be miserable.

"I admire a person with courage like you. At this juncture, you can still laugh." Long Feiyu looked at Lin Ziming playfully. It was a cat and a mouse expression. In his opinion, Lin Ziming was his. Put the fish on it and slaughter it at will.

Lin Ziming was also laughing. He didn't even put Long Feiyu in his eyes. Instead, he asked Chu Fei, "Fei Fei, have you been frivolous by him?"

Chu Fei shook her head, and then said softly: "He is verbal about me."

"Then do you want to come back with revenge?" Lin Ziming said.

Chu Fei had already seen Lin Ziming's abilities, and knew that Lin Ziming was capable of revenge, but Chu Fei was a peaceful person in her bones, and she didn't want to cause trouble, so she shook her head and said, "Forget it."

Lin Ziming asked, "Are you sure?"

"Yeah." Chu Fei nodded.

"Okay, let's go home, parents are still waiting for us at home." Lin Ziming took Chu Fei's hand and was about to leave.

Their behavior can be said to have deeply stimulated Long Feiyu. He could no longer maintain his superficial calmness. He became embarrassed and cursed angrily: "Stop for me!"

More than a dozen bodyguards all stepped forward, tightly surrounding Lin Ziming and Chu Fei, and they couldn't get through.

Everyone stared at him. In this case, the momentum brought was great. As a weak woman, Chu Fei, even if she knew Lin Ziming was very powerful, believed that Lin Ziming could protect her. But instinctively, she still felt scared unavoidably, and grabbed Lin Ziming's clothes harder, just like a drowning man clutching the life-saving straw.

Lin Ziming turned his head and looked at Long Feiyu. The smile on his face faded and became cold. At this moment, the aura on his body quietly changed. In that moment, Long Feiyu felt tremendous pressure, and his breathing It's not smooth anymore.

Soon he shook his head. What happened to him? There was only one person on the other side. He seemed to be just an ordinary person. What was he afraid of?

"Why, are you scared?" Lin Ziming said with a smile.

Hearing Lin Ziming's ridicule, he suddenly became furious, adding fuel to the fire, and directly exploding and burning!

"Tasting and not eating fine wine, I think you are impatient for living."

Long Feiyu no longer tolerated, with a hideous face, showed his tyrannical side, and waved his hand, "Give me down the two of them." I want to see what you have to fight against me!"
