

## Chapter: 514

“Ziming, you beat Long Feiyu so hard just now, will he call the police in the future?”

On the way back, Chu Fei asked worriedly.

Lin Ziming said, “No, he doesn’t have the guts.”

“But his dad is one of the owners of Eternal Real Estate. He has a very deep background. He was beaten so hard just now. Wouldn’t he really call the police?” Chu Fei was still worried. Now it is a society under the rule of law, Lin Ziming is in full view. He beat people and broke Long Feiyu’s fingers, making the plot worse.

Lin Ziming knew Chu Fei’s worry. He shook Chu Fei’s hand and smiled: “Don’t worry, he won’t call the police. Even if he calls the police, I don’t have to be afraid of him.”

Seeing Lin Ziming so confident, Chu Fei’s anxiety was much calmer.

Back at the big villa in Yulong Bay, Liu Suhong and Chu Huaxiong had gone to bed.

Although Chu Fei’s family has moved in now, Chu Fei and Lin Ziming still haven’t remarried. Strictly speaking, they can only be regarded as ordinary friends, so they also don’t have a room to sleep.

This big villa is very large, and any room is very large. They are all suites. After Lin Ziming went upstairs, he wanted to say something, but in the end he still didn’t say anything.

“That one.....”

After two steps, Chu Fei suddenly turned around and spoke to Lin Ziming.

“Ah? What’s the matter?” Lin Ziming asked.

Chu Fei was silent for a while, with a strange look on her face, her eyes flickered towards Lin Ziming, and she lightly bit her lower lip, as if she had something to say, but in the end she didn’t say anything, she shook her head. Shaking his head, he said softly, “Thank you for things tonight. I always make you trouble, sorry.”

Facing Chu Fei’s sudden seriousness and unfamiliarity, Lin Ziming smiled bitterly, and said, “Why are you so polite all of a sudden, we are husbands...”

At this point, Lin Ziming realized that it was wrong, and held back the word ‘wife’, and changed the way of saying, “Are we friends, I can’t help you when you are in trouble.”

Chu Fei bit her lips harder, sighed slightly, and said, “Yes, we are friends...”

Both of them fell silent in a tacit understanding. After a while, Lin Ziming said, “It’s getting late, so let’s take a break first, and I have to go to work tomorrow.”

“okay.”

After speaking, they all began to return to their respective rooms.

When they all returned to their room, they closed the door and stood against the door for a few minutes...

Lin Ziming took a bath. Today, enough things have happened. First, he asked Lu Dongbin about his mother and Luo Tian's organization. Then the ugly master appeared, slapped Lu Dongbin to death, and went to Chu Fei again. , Gave Long Feiyu a lesson.

Too many things have happened to Lin Ziming, even with his tenacity, it is inevitable that there will be some fatigue.

After thinking about it for half an hour, Lin Ziming was a little sleepy, and he didn't even think about it anymore. There are still many things that he needs to do next, and he has to cultivate his energy.

Turning off the light, he covered the quilt, and was about to go to sleep. Suddenly he heard a very slight footstep coming from outside the door, and suddenly opened his eyes.

The room was very quiet, only occasionally heard the sound of cars coming from a distance. The sound insulation of the house was very good. If Lin Ziming's ears were not sharp enough, it would be impossible to hear such subtle footsteps!
