

Chapter: 515

Moreover, this footstep is clearly Chu Fei's.

Lin Ziming's heartbeat speeded up a lot all of a sudden. What did Chu Fei run into his room in the middle of the night?

The sound of footsteps reached the door of the room and stopped, and Lin Ziming's heartbeat also accelerated. But after waiting for almost a minute, Chu Fei didn't make any other movements. Lin Ziming's heartbeat slowly returned to normal, thinking that Chu Fei should have just passed by here.

Yes, according to what he knows about Chu Fei, Chu Fei is a very shy and reserved person. It is impossible for him to come to his room in the middle of the night. Besides, they are now divorced. Chu Fei thinks from the bottom of his heart. Very traditional people will not break into his room at this time.

Thinking about this, Lin Ziming's nervous mood slowly relaxed, and closed his eyes again, ready to continue sleeping.

However, after he closed his eyes for how long, suddenly, the doorknob heard the sound of twisting!

In an instant, Lin Ziming was taken aback, and suddenly opened his eyes again, and the mood that was just relaxed became tense again!

Chu Fei is going to come to his room!

Moreover, he has no locks, and Chu Fei will soon 'break in'.

Sure enough, after two seconds, the door of the room was opened. Lin Ziming was lying on the bed, and he could clearly see that from the corridor outside, a little light was projected through the opening of the door!

And on the wall beside the bed, a figure of a woman was projected. Who else besides Chu Fei?

At this moment, Lin Ziming's heartbeat was almost at its extreme.

The room was so quiet that he didn't even dare to take a deep breath, for fear that Chu Fei would know that he was still asleep.

Moreover, even he himself didn't know why he was nervous. Obviously he and Chu Fei were married for four years. Even if they are now divorced, their relationship has returned to normal. Remarriage is a matter of time, mainly tonight. Lin Ziming saved Chu Fei once...

No matter what he thinks, Lin Ziming has no reason to be nervous, but on the contrary, Lin Ziming is very nervous now.

In his heart, thinking of certain images, his emotions were so excited that he couldn't stop.

The door opened for a short while, and Chu Fei stuck her head in and asked softly, "Ziming, are you asleep?"

The voice was very small and gentle, and there was some trembling in her tone, and she could hear her nervousness.

Lin Ziming opened his eyes secretly, and on the wall of the bed, you could

see Chu Fei's shadow. He wanted to respond, but his mouth couldn't say anything. He was restrained by some invisible force.

Lin Ziming thought that if she didn't speak and pretended to sleep, Chu Fei should go back. However, Chu Fei didn't do this. She asked again with a little louder voice, and she still didn't get Lin Ziming's response. Then, she opened the door halfway, and people got in, cautiously...

Lin Ziming's ears are so sharp that he can hear Chu Fei's footsteps even through a soundproof door, not to mention that Chu Fei is already in the room!

Now he listened to Chu Fei's approaching footsteps, and even smelled Chu Fei's unique feminine body fragrance floating in the air, and he became even more nervous. In addition to the tension, there are some excitement that can't be described...

Vaguely, I was expecting something.

Finally, after five or six seconds, Chu Fei finally walked over. When she reached Lin Ziming's bed, she asked softly: "Ziming, are you asleep?"
