

Chapter: 517

Lin Ziming heard these words from the heart of Chu Fei, his heart was still very touched!

These words, he had never heard Chu Fei say before, and he didn't even know what Chu Fei was thinking now.

It is true that Lin Ziming chose to join the Chu family at the beginning, mainly to avoid the Lin family's extinction, disguised himself as a trash, and suffered a lot of humiliation and suffering. But in these four years, he was really unhappy, because Chu Fei never regarded him as a real husband one day. Even if he knew that this was not Chu Fei's problem, it was exactly what he deserved, but deep down in his heart, he still wanted to get Chu Fei's recognition one day.

Now, this day has arrived...

It is impossible to say that there is no excitement in my heart.

Chu Fei still didn't know that Lin Ziming was asleep. Lin Ziming had already heard these words of her own. She thought that Lin Ziming was sleeping very heavily. She held Lin Ziming's hand and pressed it against her face, gently Rubbing with the ground, looking at Lin Ziming's sleeping quiet face, showing a happy smile, he continued: "Ziming, I am really happy now..."

"Ziming, next I will do my duty as a wife and make up for what I owe you four years ago. Mom told me that if you want to grab a man's heart, you must first grab a man's stomach, so I have already started to learn to cook."

"But I heard Qin Yao say that in addition to grabbing a man's stomach, he also has to take care of men and women..."

Having said this, Chu Fei's tone was obviously very shy, she paused for a while, then gathered up the courage, and continued: "It's shameful to say that I have never experienced men and women when I grow up, and I have a lot of experience in this area. Blank. But I am confident that as long as I am willing to learn, I can definitely learn it too!"

"Ziming, then I will definitely catch you firmly and make you the happiest man in the world, and I am also the happiest woman in the world, hehe."

"Okay, Ziming, it's getting late, I have to go back to sleep, good night, I love you, love you very much!"

Hearing these last words, Lin Ziming was completely stupefied!

Is this still the traditional Chu Fei he knows? You must know that Chu Fei is absolutely guarded like a jade, she is extremely resistant and timid about men and women, before being touched by him would be disgusting for a long time. And now, actually want to take the initiative to learn, and want him to be the happiest man in the world?

Lin Ziming's heart was shocked, and he even suspected that he had heard it

wrong, otherwise the person in front of him was not Chu Fei, but someone else.

However, when he thought that the scene of that day would really appear, Lin Ziming couldn't help being excited and looking forward to it. He couldn't help but opened his eyes secretly, peeking at what Chu Fei's expression is now.

However, as soon as he opened his eyes secretly, he saw that Chu Fei was pouting slightly and kissed him!

Seeing this scene, Lin Ziming was dumbfounded in an instant. When he reacted, Chu Fei's lips were already printed on his lips!

Feeling the presence of Chu Fei, the bloody stimulus instantly made Lin Ziming's muscles tighten, and his hands clenched his fists uncontrollably.

And it just so happened that Chu Fei actually opened her eyes at this moment...

For a moment, the two of them looked at each other.

Chu Fei was visibly stunned for a moment. Then, her reaction was very big, her eyes widened all at once, she stood up abruptly, her tone trembling, "You, aren't you asleep?!"
