

Chapter: 518

Chu Fei always thought that when Lin Ziming was asleep, she would say what was in her heart just now, but in the end, Lin Ziming was not asleep, that is to say, Lin Ziming heard all those words just now!

The most embarrassing thing is that he has stolen his parents to Lin Ziming. Isn't this shameless behavior?

Lin Ziming is also very painful now, why can't he help but open his eyes, this time is good, it was discovered by Chu Fei, embarrassing!

"Cough!" Lin Ziming coughed twice, his mind rushed, trying to calm himself down. The more you are at this time, the less you can panic.

"Feifei, why did you come to my room? Is something wrong?" Lin Ziming deliberately looked like he was awakened, rubbed his distressed eyes, and asked curiously.

It's just that his acting skills were so bad that he couldn't hide Chu Fei at all, but made Chu Fei even more ashamed, and her entire face flushed!

Seeing her doing this, Lin Ziming quickly explained, "Really, I didn't lie to you, I can't hear anything!"

As everyone knows, what he said was completely counterproductive. It was purely the act of stealing the ears and stealing the bell. After Chu Fei heard it, she became even more ashamed and embarrassed. Even in such dim light, Lin Ziming could see her blushing to the point of dripping blood.

Lin Ziming finally realized that he was self-defeating just now, and he was even more embarrassed.

After a while, Chu Fei said, "Can you move a little inside?"

"Huh?" Lin Ziming was stunned for a moment, but he didn't react for a while.

Chu Fei turned her gaze on Lin Ziming again, her tone was very soft, and she said with some shyness: "I was drinking tea in bed just now and accidentally poured it onto the bed. I want to spend the night with you tonight. ."

Lin Ziming finally understood what Chu Fei meant, and wanted to sleep with him!

Suddenly, Lin Ziming's blood boiled and swallowed twice.

"Why, don't you want it?" Chu Fei bit her lip.

"I am willing! Of course I am!" Lin Ziming nodded and said, then moved his body inside to make a large part of Chu Fei.

Chu Fei was wearing her pajamas and lay down peacefully, covered with a quilt to highlight her graceful figure.

The room suddenly became very quiet, and only the abnormal breathing of each other could be heard.

After a while, Chu Fei broke the silence first, and said, "What I said just now is true, and I didn't lie to you."

Lin Ziming said, "I know."

After the conversation, the room fell silent again.

This time Lin Ziming opened his silence first, "Feifei, you still have to keep your eyes open in the future and try not to put yourself in a dangerous situation. You are beautiful, which is a huge temptation for men. After all, I don't always do it every time. I can rush to save you in such a timely manner."

"Well, I see, I won't be in contact with outsiders easily without you in the future." Chu Fei said very docilely, with the attitude of the little woman, and explained: "Actually, I was cheated by a client tonight. Yes, I didn't know it was a gathering of that nature before I went, otherwise I would definitely not go."

Lin Ziming said, "Well, I know."

"Can I hug you?"

Next, a sentence from Chu Fei made Lin Ziming's scalp numb.

"Huh? This, not so..."
