

Chapter: 519

Lin Ziming hadn't finished speaking, and Chu Fei had already turned around and hugged him.

You know, they are all wearing very thin pajamas now, so being hugged, you can clearly feel the body temperature passed by the other party, and the bloody touch!

Chu Fei was obviously also very nervous, her body was trembling slightly, and her body temperature rose a little.

Of course, Lin Ziming is not much better. Regardless of his current status, he stands up high in front of Wang Shougui and Han Jinlong. But in terms of men and women, he is an out-and-out first brother. What an experience.

His muscles were tight and he didn't move, for fear that he would lose control and do something extraordinary.

Chu Fei is also a rookie with zero experience in this area. She mustered all the courage to make such a bold move. Now she hugged Lin Ziming and didn't dare to move. This situation seemed very strange.

Finally, after a while, Chu Fei put her head on Lin Ziming's chest, listening to Lin Ziming's powerful heartbeat, she felt very safe and stable.

"Let's remarry tomorrow." She said softly.

Lin Ziming nodded and said, "Okay."

"Don't you want to hug me?"

".....miss you."

"Then what are you waiting for?"

"I'm afraid you will lose control if you hug."

Lin Ziming smiled bitterly and said that his body is no longer under his control. If he really hugs Chu Fei, he is afraid that he will really be unable to bear to forget and do animal things.

Regardless of his current martial arts is very strong, his body is far beyond ordinary people, and his willpower is strong, but he is still very difficult to control in this aspect

Chu Fei's tone was shy and firm, and said: "It's nothing if you can't hold it. I should have handed myself over to you four years ago."

With that, she closed her eyes, waiting for Lin Ziming's control.

She was ready, unlike the last time, she was willing this time, looking forward to handing herself over to Lin Ziming.

The conscience of heaven and earth, Lin Ziming's nerves are undergoing unprecedented provocation and test, and countless voices in his heart make him be a beast and eat Chu Fei!

He is not Liu Xiahui, let alone an eunuch. The beauty is in his arms, and he assumes the posture of being a picker. There is no man who can be indifferent. Even an old man who has lost his ability will bloom at this moment.

Lin Ziming tried his best to keep a trace of clarity in his mind. He said with difficulty, “Feifei, have you really decided? My identity is not just as simple as Chairman Ziqiong. I have a lot of things on my back, and there is another important thing. There are also very dangerous things waiting for me to do. Once I don’t handle it well, it will be the end of the dead. You are still in the end. With your terms, if you leave me, you can find a good man. Live the rest of your life in peace...”

Chu Fei blocked Lin Ziming’s mouth with her hand, her eyes were determined, and she looked at Lin Ziming without hesitation: “I am yours in this life. No matter whether it is a mountain of swords or a sea of fire, I will accompany you on the way, as long as you Don’t abandon me, I will be your Lin Ziming’s person in my life, and death will also be your Lin Ziming’s ghost.”

These words really hit Lin Ziming’s heart deeply, dispelling his last worries. Since Chu Fei said this, what else is he hypocritical?

Lin Ziming hugged Chu Fei boldly, stared deeply, and made the most sacred oath, “Feifei, from now on, I will use my best efforts to protect you, and treat you with my most sincere tenderness. Only me One day, I won’t let you be harmed. As long as you don’t abandon me, I will never give up to you. This situation can be learned from the world, and the sun and the moon are proof!”

After speaking, Lin Ziming kissed Chu Fei...

This evening, Lin Ziming and Chu Fei went to Wushan together.
