

## Chapter: 521

Today, Chu Fei needed someone to accompany him, and Lin Ziming did not go to work and stayed to accompany Chu Fei.

After a day's rest, Chu Fei finally returned to normal. When she went to work the next day, Lin Ziming would also report to the company.

Now Ziqiong Media is developing very well. The huge machine is starting to operate. There is nothing to take care of. It is run by a professional team. Even if it is less than a month, Lin Ziming will not have any impact.

But the newly opened advertising company is about to open and cut the ribbon. As the chairman of the new company, he must be there to cut the ribbon.

So he first went to Ziqiong Media to get a card, and after a brief high-level meeting, he went directly to the new advertising company.

The scale of this new advertising company is not very large, but it plays a very important role in Lin Ziming's next commercial deployment. He has always been very concerned about it.

He now understands that the Luo Tian organization is very powerful and covers a wide range of fields. Since he wants to rescue his mother from the Luo Tian organization, then he needs to constantly strengthen himself. To a certain extent, it is necessary to push yourself into the public eye!

Because once he becomes famous, the whole country knows him to the extent that when Luo Tian organization really wants to move him, he will have to weigh it.

Of course, if it weren't for that point, he didn't want to push himself to the cusp of the storm, he was still a low-key person in his bones.

I went to visit the new company and found that it was done well. Among them, Han Jinlong did the best security. Lin Ziming praised Han Jinlong very well and made Han Jinlong very excited.

After visiting the new company, it was time for dinner in the evening. Lin Ziming and the new company team went to a five-star hotel for dinner. During this time, Lin Ziming was full of scenery, enjoying the admiration and awe of countless employees, and people kept coming to him to toast.

Among them, there are many young and beautiful female employees who come over to wink Lin Ziming. As long as Lin Ziming has a little thought, there are as many beautiful women as they want.

Halfway through the meal, his phone rang suddenly, and he took it out to see that it was Guo Junyi who called him.

Speaking of it, he hadn't seen Guo Junyi for a long time. Since that night, Guo Junyi hadn't called him less and asked him out for dinner, but he refused. On the one hand, he was really busy and couldn't spare the time. On the other hand, he knew that Guo Junyi liked him, and he only had Chu Fei in his heart, so it was difficult to get too close with Guo Junyi.

Now that he heard Guo Junyi's call, he thought about it, but he still didn't answer it.

But then, Guo Junyi called again. It seemed that there was something urgent, so Lin Ziming had to go on and said, "Hey, Miss Guo, are you looking for me?"

Guo Junyi's slightly resentful voice came on the phone, "You can be considered as answering my call, I thought you had blocked me."

Lin Ziming was a little embarrassed when he heard Guo Junyi's grievances, as if he did something wrong with Guo Junyi. In fact, he and Guo Junyi have no relationship in that respect.

"No, I have been busy with a lot of things recently." Lin Ziming briefly explained a few words, and then asked: "By the way, you suddenly asked me, what's the matter?"

Guo Junyi said, "Where are you?"

"I am in Huacheng," Lin Ziming said.

Guo Junyi continued: "Ziming, we haven't seen each other for a long time. I miss you. Are you free now? Why don't you come out and meet, I'll be at the Weston Hotel."

The Weston Hotel?

Lin Ziming was stunned when he heard the words. Isn't this the hotel where he is, wouldn't it be so coincidental?
