

## Chapter: 525

Guo Junyi hugged Lin Ziming's arm tightly and did not hesitate to touch Lin Ziming on her chest. She raised her head, her face was sweet, and said, "What am I kidding? This is my boyfriend. His name is Lin Ziming. Ming, treat me very well, we are all ready to get married."

Hearing this, Lin Ziming almost choked with saliva and coughed twice. He had to explain, otherwise it would be passed to Chu Fei and he would be finished, "That..."

But as soon as he spoke, Guo Junyi pinched him, held him tighter, and whispered in his ear: "Help me this time, or I will tell your wife to go and say you are indecent to me."

Guo Junyi was half a head shorter than him, and now she squeezed her feet and talked to his ears, and they were close to his ears, and the breath sprayed to his ears. It was very itchy, and it made him feel happy, and the goose bumps were all pricked up.

Since taking that step with Chu Fei last night, he has become a real man. On the contrary, he has become more difficult to resist the temptation in this regard.

Now Guo Junyi is so close to him, if he can't hold it and shows ugliness, it will be embarrassing.

So he had to obey Guo Junyi and cooperate with him in acting, alas.

After understanding this, Lin Ziming no longer evaded, and proactively stretched out his hand and said to Qiu Yuanming: "Hello, I am Jun Yi's boyfriend Lin Ziming."

Qiu Yuanming did not react to his initiative to show his favor. Instead, he showed disdain and contempt. He still said to Zhou Xinfang: "Zhou Xinfang, I am very dissatisfied with the dinner tonight. This time you are eliminated from the new company. Find another way out!"

Zhou Xinfang was immediately anxious when he heard this, and pulled Qiu Yuanming to please the explanation. He was particularly flustered, tears streaming out. But Qiu Yuanming still ignored her, including other people who came out to say good things for her. Qiu Yuanming didn't save face. It could be seen that Qiu Yuanming was really angry.

Guo Junyi frowned upon seeing this scene and said to Zhou Xinfang: "Fangfang, you don't need to ask him, what can such a stingy man follow? I have told him that I have a boyfriend and I am not interested in him. In the end, he still feels very good about himself, thinking that I am trying to get out of it. If I find another way out, I will find another way out. Fangfang, you are not incapable. What's the big deal."

When Qiu Yuanming heard these words, his face became even more ugly, and he smirked, saying: "Okay, if this is the case, then there is nothing to say. You will wait and see for me in the future! Today's matter, I I will

remember it in my heart! Zhou Xinfang, I want to see if you can find another way out and see who else in the circle wants you.”

Qiu Yuanming’s words were a threat of nakedness.

Zhou Xinfang was panicked at first, but now she is even more panicked when she hears this. She is completely distracted. She can’t hear Qiu Yuanming’s off-strings. She just wants to use her energy to block her in the circle!

She has always been Qiu Yuanming’s subordinate, and she is very aware of Qiu Yuanming’s energy. Once Qiu Yuanming does this, then she will definitely not be able to get along in the circle. At that time, no one will offend Qiu Yuanming for her reasons.

You must know that her monthly expenses are very large now. Housing loans, car loans, parents, and children’s consumption are tens of thousands in a month. If she is really blocked by Qiu Yuanming, then she will only have a dead end.

“Mr. Qiu! Ms. Qiu! This is a misunderstanding, absolutely a misunderstanding. You don’t know who I am. If I knew that Junyi had a boyfriend, how would I introduce it to you, I would have no idea.” Zhou Xinfang was so anxious to cry.

Qiu Yuanming saw Zhou Xinfang be so flustered and pleaded with him. The expression on his face was much better, and his vanity was greatly satisfied. On the surface, he still said sternly, “You don’t need to tell me this! I have time. You don’t know how busy you are. I came to meet your friends because of your face. But I was so humiliated by you. I really meant that Qiu Yuanming didn’t want face?!”

Seeing Qiu Yuanming refused to forgive her, Zhou Xinfang was completely desperate and couldn’t help crying.

Lin Ziming frowned displeasably when he saw this scene. Qiu Yuanming’s eyes were too small, because a little thing made a woman so difficult, he couldn’t stand it anymore. He stood up and said, “Hey, the surname is Qiu. It’s too much for you to make things difficult for a woman like this.”
