

Chapter: 526

Originally, Lin Ziming didn't want to be arrogant. In his capacity, his common knowledge with little people like Qiu Yuanming would lower his style. But Qiu Yuanming was too much and his mind was too small. The friend cried for the bully.

His words caused Qiu Yuanming to raise his eyebrows, showing a disdainful expression, and said with a smile but a smile: "Excessive? What kind of green onion are you, I train my subordinates, do you have half a dime relationship with you?"

Qiu Yuanming looked down on Lin Ziming from the bottom of his heart. As an elite in the society, Qiu Yuanming had come into contact with many big bosses and developed a pair of glamorous eyes. Asking himself, he looked at people very accurately, mainly big people, he could tell at a glance.

And Lin Ziming in front of him is just an ordinary person, he can't be a big person, as long as an ordinary person is an ant in his eyes, he can trample and humiliate him at will!

At the same time, he was also very jealous of Lin Ziming. Such a weak and ordinary person could actually chase after a beautiful woman like Guo Junyi. It's really a toad that has eaten swan meat! He seriously suspected that Guo Junyi had an IQ problem, and that he could choose a social elite like him with such good conditions, but in the end he fell in love with Lin Ziming and was simply sick.

The combination of these two factors made him particularly unhappy with Lin Ziming.

When Guo Junyi heard Qiu Yuanming scold Lin Ziming, she reacted greatly, and she went back and said, "Hey, Qiu Yuanming, please respect your words, we can't offend you!"

Qiu Yuanming thought that Guo Junyi was beginning to be scared, and the smile on the corner of her mouth became stronger.

Since he was rich, there have been few beauties around him, and even some unknown female celebrities have played a lot, but he really hasn't played a game like Guo Junyi, and he rarely sees it.

At first he thought that Guo Junyi was single, and he was quite sure that he could take Guo Junyi down. He was still very excited, but later discovered that Guo Junyi actually had a boyfriend, and he saw the best stunners like Guo Junyi and other men like me and mine. , But made him mad, otherwise his usual style would not make Zhou Xinfang so difficult in the public. This would have an impact on his reputation.

"Guo Junyi, I admire you very much. As the eldest lady of the Guo family, she is willing to be with the poor boy. Do you usually pay him less money?" Qiu Yuanming sneered, and then said to Lin Ziming: "I said you Yes, there are people who have hands and feet, and they actually make little faces, and

don't even need dignity for the sake of money? Ho Ho.”

There were still many people watching. Hearing Qiu Yuanming's words, the eyes looking at Guo Junyi and Lin Ziming also began to change, and Qiu Yuanming began to take the rhythm.

Isn't it right? Guo Junyi's dress and temperament, at first glance, I know that he is a rich girl and has money in the family. As for Lin Ziming, the clothes he wears are so ordinary that he can't be ordinary, and his temperament is even more obvious. Just a poor boy, people believe that he is a food delivery person.

As a result, such a pair of men and women is actually a lover's relationship, and the logic of normal people would think that Lin Ziming is eating soft food.

When Guo Junyi heard this, her face immediately changed, and she hurriedly looked at Lin Ziming for fear that Lin Ziming would be angry, so she would not contact her anymore. Fortunately, Lin Ziming didn't have any reaction, his expression was very plain, and he was not affected.

She breathed a sigh of relief, and immediately couldn't help feeling resentful again, feeling that Lin Ziming was too indifferent and didn't care about her at all.

Lin Ziming felt the change in her mood, with question marks in his head, and couldn't figure out what she was thinking.

It's not that Lin Ziming is indifferent, but that he is not a little white face at all. What makes him angry? In his eyes, Qiu Yuanming is nothing but a small person.

Qiu Yuanming couldn't see through him, but he could see through Qiu Yuanming.

Guo Junyi said anxiously: “Who said he was a little white face? Open your dog's eyes and look at him. He is called Lin Ziming, but the chairman of Huacheng Ziqiong Media! With a net worth of more than six billion, I don't know how many times more powerful than you! You are just a small person in front of him!”
