

Chapter: 528

“What are you laughing at? Lin Ziming is really Chairman Zi Qiong!” Guo Junyi said with akimbo and bulging cheeks. That look can be said to be very cute.

Zhou Xinfang looked at Guo Junyi with sympathy and sighed and said, “Junyi, have you been stimulated recently? I know that your family has put you under a lot of pressure, but you have to take care of yourself.”

Guo Junyi said anxiously: “Hey Fangfang, listen to me, Lin Ziming is really chairman Ziqiong. If you don’t believe me, you can find the photos on the Internet if you look for it yourself.”

At this time, not only Zhou Xinfang thought Guo Junyi was stimulated, but others also thought so, very sympathetic. It is a pity that such a beautiful woman had mental problems.

Zhou Xinfang said bitterly: “Junyi, I hurt you. I knew I shouldn’t have called you out for dinner. You have been at home for too long during this period. Alas! Junyi, I know a psychiatrist. The level is quite high, why don’t I take you over to see it today?”

Zhou Xinfang believes that Guo Junyi has a mental problem and needs to see a psychiatrist.

Several other friends who had dinner together said the same. The eyes looking at Guo Junyi were full of sympathy. As for Lin Ziming, they ignored him directly. They had never thought that Lin Ziming would be the director of Ziqiong Media. long.

This is just like someone pointing at a beggar casually on the street and telling them that he is a god in the sky. It is a very absurd thing.

Guo Junyi has never been so aggrieved. It is clear that what she said is true, but no one believes her. They thought she had a mental problem, but she was anxious to death!

“Ziming, you just said a few words! They don’t believe that you are chairman Ziqiong.” Guo Junyi took Lin Ziming’s arm and said anxiously, this feeling of being misunderstood is too uncomfortable!

Lin Ziming smiled bitterly and said, “Do they believe it is that important?”

“It must be important!” Guo Junyi nodded vigorously: “They are looking down on you, you don’t want to hit them in the face severely.”

“What’s the point of slapped in the face?” Lin Ziming said with a smile: “They are just small people. What do they believe or not have to do with me? The most important thing to be a human being is to be calm and not to be happy with things or sorrow for yourself.”

Lin Ziming stated his philosophy of life. Now that he has experienced so much, he is less and less concerned about what others think of him. To his comments, he only needs to live well and live the way he wants. Up. Therefore, the misunderstanding and contempt of Zhou Xinfang, Qiu

Yuanming and others can not cause any waves in his heart.

It's a pity that his words fell in the ears of other people, and they became an expression of confession, especially Qiu Yuanming. He laughed more sarcasm and wanton, "Hahaha, I have opened my eyes today, and there are still such things in the world. Shameless man, he is obviously a poor boy, but he pretends to be tall and deep. Who would he pretend to be? You are really so awesome, but it proves to us, and the chairman of Ziqiong Media, I see you Michelle Media cleans the toilet, haha!"

Others laughed when they heard this, and the air was filled with joy for a while.

Guo Junyi was so angry that everyone was shaking, so she wanted to hit Qiu Yuanming in the face!

Lin Ziming didn't bother to be familiar with Qiu Yuanming. He said to Guo Junyi, "Let's go."

Guo Junyi can't understand why Lin Ziming can be so calm, isn't she angry at all! Obviously Lin Ziming is Chairman Ziqiong. She has this ability to slap Qiu Yuanming in the face. She still remembers very clearly. At the engagement banquet that night, Lin Ziming was so domineering and shocked the audience. Wen Hua, Situ Nan and others were so tortured that they had no temper at all. Why are you so confused now? This is not Lin Ziming's character at all!

Guo Junyi felt so uncomfortable in her heart that she didn't want to care about seeing Lin Ziming, so she had no choice but to endure and leave with Lin Ziming.
