

Chapter: 530

For some reason, Qiu Yuanming saw Lin Ziming's expression, and suddenly felt a little afraid in his heart.

Immediately he shook his head, threw out this fear, and secretly scolded himself for being too cautious, even fearing Lin Ziming.

"Huh, you dare to pretend to be garlic when you die? Do you really think I can do anything with you!" Qiu Yuanming snorted heavily, with an ugly face. He pointed at Lin Ziming and said with a gloomy expression: "Your name is Lin Ziming. Well, I know your name. If you don't kneel down and apologize today, I have a hundred ways to keep you from hanging around in China! If you don't believe it, you can try it."

Zhou Xinfang said to Guo Junyi worriedly after hearing this: "Junyi, you should let your friend kneel down and admit his mistake. Mr. Qiu is very powerful in the country. If he wants your friends not to hang on, he really can't hang on."

Guo Junyi said nonchalantly, "Fangfang, don't worry, the person who should kneel down is not my friend, but this guy."

When Zhou Xinfang saw this time, Guo Junyi could still say something like this, shook his head, and said no more, thinking that Guo Junyi and Lin Ziming were both saved, so he hurried to aside and set aside the relationship, for fear of being bothered by them. To yourself.

"My patience is not good. I count to three. If you still kneel, don't blame me for being impolite!" Qiu Yuanming's eyes widened, and an aura emanated from his body. I felt frightened, especially Zhou Xinfang who was most afraid.

"One....."

"two....."

He started counting, and Lin Ziming looked at him like a clown.

Finally, after counting to three, Lin Ziming was still indifferent. Qiu Yuanming's expression was even more ugly now. He cursed toast without eating and fine wine, and then he walked up and wanted to shoot Lin Ziming himself.

From his movements, you can see some traces of Muay Thai, some of the basic kung fu, most people are not his opponents two or three.

Lin Ziming still didn't move. After Qiu Yuanming came up, he took the shot lightly, and easily caught Qiu Yuanming's punch, "I don't know that you have practiced Muay Thai, but the strength is too weak."

Qiu Yuanming thought that Lin Ziming would easily grab a punch with his full strength, his face changed a little, and he snorted and said, "I said you were so courageous. ..."

He didn't finish his words, so he couldn't resist a scream. Lin Ziming used a little force, grabbed his fist and pressed down. The strength completely

exceeded the limit that Qiu Yuanming could bear. Qiu Yuanming knelt down. On the ground, looking particularly embarrassed.

Even the blind can tell that Qiu Yuanming and Lin Ziming are not at the same level at all.

This scene happened so quickly that many people didn't have time to react, and Qiu Yuanming was already kneeling in front of Lin Ziming.

Zhou Xinfang opened his mouth wide, his face was full of horror and fear, his face paled, and he wailed desperately: "It's over, President Qiu will definitely not let me go!"

Isn't it right? Lin Ziming is Guo Junyi's boyfriend, and Guo Junyi was called by her. As a result, Qiu Yuanming is now embarrassed, and now he has made Qiu Yuanming kneel down. With Qiu Yuanming's character, she must not be killed!

Now she only felt that her world was dark, and she had no future.

She is very aware of Qiu Yuanming's influence in this circle. As long as Qiu Yuanming says a word, she really can't get along.

At this moment, she not only regretted it, but also began to complain about Guo Junyi's arrival. If it weren't for Guo Junyi's boyfriend, she would still have a bright future!

When Guo Junyi saw Lin Ziming's easy move, Qiu Yuanming knelt down, extremely happy and wanton, and was so excited that he could not hold back his applause.

Qiu Yuanming was about to explode. Such a noble person actually knelt in front of a poor boy. This is a great shame to him!
