

Chapter: 535

In his eyes, Pan Hongyi is a big figure in the circle. He has strong connections, resources, and property. It is his existence that he wants to flatter. But such an existence actually knelt down in front of Lin Ziming! His mind was already dizzy, and he couldn't imagine how much energy Lin Ziming had to make Pan Hongyi do this. He only realized one thing, this time he really caused a terrible disaster.

Lin Ziming was also a little surprised that Pan Hongyi would kneel down. Pan Hongyi was also a personal thing at any rate, and he did not directly offend him, so he would not kneel down and beg for mercy anyway. This is because he underestimated his deterrent against Pan Hongyi, and there are no people in the company who are not afraid of him.

Lin Ziming wasn't an unreasonable person, he naturally knew that Pan Hongyi was innocent, and the damn person was Qiu Yuanming.

"Okay, get up." Lin Ziming waved his hand and said, then looked at Qiu Yuanming, and said, "This surname Qiu is your friend. I don't want to see him in the future. I leave it to you to handle this matter. If it's done, don't come to Zi Qiong to work in the future."

Pan Hongyi breathed a sigh of relief, and the little chicken nodded quickly like a peck at rice, and said, "Yeah! The subordinates of the chairman understand that they will ensure that Qiu Yuanming will not be able to get in the circle in the future!"

Then Pan Hongyi slapped Qiu Yuanming forcefully in the past, "Dog things that don't have eyes, you dare to provoke even our chairman, I think you are tired of living! With me, Pan Hongyi, don't want to be here in the future Stay in the circle!"

Qiu Yuanming was completely frightened, and hurriedly apologized and begged for mercy. He knew the weight of Pan Hongyi's words, which completely knocked him from heaven to hell, which was absolutely unacceptable to him.

Pan Hongyi refused to pay attention to him. He immediately knelt down in front of Lin Ziming again, begging Master Lin Ziming for mercy regardless of the villain's faults and let him die.

Lin Ziming kicked him away and would not sympathize with such a person at all.

There are so many people around who sympathize with him. Everyone can see how arrogant and aggressive he is just now.

After solving the matter, Lin Ziming did not continue to stay here. He didn't want to be a monkey to be watched, so he came out of the hotel with Guo Junyi and others.

"What's the matter, keep looking at me, is there anything on my face?"

On the way down from the hotel, Guo Junyi kept staring at him, staring at

him intently, looking at him a little hairy, touching her face and saying. Guo Junyi's eyes were full of eagerness, and she did not hide her admiration and admiration for Lin Ziming. That enthusiasm was almost overwhelming. "Ziming, you were super handsome just now, you deserve to be the man I personally chose!" Guo Junyi came over and took Lin Ziming's arm, her eyes narrowed into a crescent moon. Her happiness and happiness can be shared by anyone far away. Feel it.

Lin Ziming was hugged by her again and felt the temptation of her body. He couldn't help but breathe more quickly. He quickly coughed and said, "Miss Guo, if you are a man or a woman or not, you can hug me like this, right? ."

Guo Junyi blinked and said, "What's wrong, aren't we already engaged."

Lin Ziming was taken aback, and quickly said, "Miss Guo! When will I be engaged to you? You can eat and talk nonsense, but don't talk nonsense!"

Seeing Lin Ziming's excitement, Guo Junyi curled her lips and said, "I was joking with you, it scared you. Besides, did you feel wronged by being engaged to me?"

"Can you just joke about this?" Lin Ziming rolled his eyes and said angrily: "I'm already married. I have a husband. You, a girl, should keep a distance from me, you know?"

Guo Junyi rolled her eyes, and suddenly said something shocking.
