

Chapter: 543

After a while, when the neon clothes appeared again, they had already reached the ugly master and shouted, "Clown."

Hearing her voice, the ugly master trembled all over, and Gu Jing Bubo's face showed a shocked expression for the first time. The next moment he suddenly turned his head and saw the neon clothes, his pupils enlarged suddenly, and he called out: "Nishang fairy, It's you!"

Nishang waved his hand and said: "Call me Nishang Lord, my aunt said, we are all human, there is no essential difference."

When the clown heard this, his body shook even more, and his expression was unconcealable and he said with excitement: "Master Nishang, did the Lord let you over? Lord, her old man, how is it?"

Asking this sentence, the clown's face was obviously respectful and expectant, especially the fanaticism, ready to come out.

If Lin Ziming was here, he would be surprised to see the expression of the clown. He has known clowns for many years. He has never seen a clown so fanatical and respectful to a person, as if the other person is a god, not a person.

Some sadness flashed in Nishang's eyes, and said, "Auntie, her old man is okay, but she has no freedom."

"That's good, that's good!" The clown rubbed his hands nervously, and then asked expectantly and nervously: "Master Nishang, the Lord is calling you over. Is there any order that the subordinate needs to execute?"

Nishang sat down, she tilted her legs, looked out the window, a little dazed, she didn't answer the clown's question directly.

The clown didn't dare to speak too much, so he slightly bent over and stood aside, waiting for the neon clothes to speak.

"Brother Ziming's kung fu has improved rapidly. I was almost spotted by him just now," Nishang said.

When the clown heard this, he showed a surprised look. As a person from Luo Tian organization, the clown knows the strength of the man in front of him. It can only be described as unfathomable. He is completely unrequited in front of him. Ability, can't catch even one trick.

And Lin Ziming actually almost found the existence of Lord Neon Clothing? But soon, he was relieved, now Lin Ziming is no longer the half-bucket boy before, and now he is not even Lin Ziming's opponent.

"Young Master is a martial arts wizard, and he has made rapid progress." The clown nodded and said.

Nishang said: "Now he has reached the bottleneck, and he has to cooperate with Xiusui Pill to break through."

The clown said admiringly: "Master Nissan really knows what he has done. Now the young master has indeed reached a bottleneck and needs to take

Xisui Pill to break through. There is an auction in Fengcheng just a few days ago, and I have already asked the young master to participate.”

“Is Fengcheng’s auction?” The neon clothes showed some meaningful expressions in his eyes.

“Yes, I will let the young master put this marrow pill at auction at that time.” The clown replied respectfully.

Nishang nodded, No You continued to say, but said: “Don’t tell him my existence, he still has a long way to go.”

When the clown heard this, he snorted in his heart, thinking of something, he opened his eyes instantly, and said with excitement, “Master Nishang, is this the Lord’s meaning? The Lord wants...”
