

## Chapter: 545

After Lin Ziming and Chou Ye stopped the car, they walked to the auction house together and said with a smile.

Chou Ye said: "Tonight's auction has been held for more than 20 years from the first one to the present. It is generally held once a month. The admission requirements are very high. There are no rich people who are not very well-known. Eligible for admission."

"I feel it." Lin Ziming nodded and said.

Chatting with them, finally walked into the auction house.

The area of this auction site is not very large, it is just the eldest lady of a basketball court, and the decoration style is also retro, and there are not many traces of modern electrical appliances.

When Lin Ziming and Chou Ye arrived, there were already quite a few people in the auction room. To Lin Ziming, they were all relatively new faces.

These people are quite ordinary at first glance, not very eye-catching, but if you look closely, you can find that these people are not simple, and their aura is deeply hidden.

Just like the middle-aged man in front of Lin Ziming, with a slightly fat body, a nice smile, and a very kind look, but there is a lot of energy in his body, and he is also a master.

There is also a young woman on the other side, dressed in a cooler dress, with an affectionate face, and looks very sexy, and ordinary people will think it is a housewife at first glance. But in fact, she was a killer, and a faint murderous aura radiated from her body, and no one below a certain level would be able to find it.

Lin Ziming felt very new and looked around.

At this moment, a voice rang from behind, "Oh, this is not the ugly man, what wind has blown you here, you have not come to the auction house for a long time to search for treasures."

Lin Ziming turned around and looked at it. She was a mature woman in a purple carved cheongsam with a slender lady's cigarette in her hand. Her long hair was coiled and her skin was white as snow, so good that she could be broken by a bomb, and she looked even more charming. Extremely, with a smile on his face, it gives people a kind of seductiveness that reverses all sentient beings.

Behind her, there were a few people who were very strong women with sharp eyes and huge energy in their bodies. They were all masters with extraordinary skills.

Lin Ziming asked himself that he had seen a lot of beauties, but she was as seductive as the mature woman in front of him, and it was the first time she

saw him.

If you really want to describe it, it is that this mature woman looks like a human, but has a fairy-like temperament, as if she is a fairy cultivator. She smiles, and every move has a unique charm.

Even a person with such a determined will, Lin Ziming, felt uncontrollable in his heart when he saw her at first sight.

Her gaze first looked at the ugly master, and then fluttered across Lin Ziming's body. Seeing Lin Ziming's shameless appearance, she did not attract her attention at all, and thought that Lin Ziming was a follower of the ugly master.

When the ugly master saw her, some fear flashed in his eyes, and he disappeared immediately, and smiled, and said politely: "It turned out to be Tao Sanniang. I'm lucky enough to meet."

Tao Sanniang took a small step forward, and narrowed the distance with Ugly Master. The smile on her face became more intense, full of teasing and charm, which made a calm old man like Ugly Master not help but speed up his heartbeat. He hurriedly ran the infuriating energy, suppressed the fire in his dantian, and kept a faint smile on his face.

Tao Sanniang was smoking a cigarette in a lazy posture, and then fluttered with a puff of smoke to the ugly master, and said with a smile: "The ugly master is a great figure in Hwaseong City, and also a guest of our Yuntian Pavilion. I don't know about the ugly master this time. What treasure do you have fancy? Tell Sanniang, Sanniang may be able to walk through the back door for the ugly master."

She deliberately pronounced the word 'back door' harder, matching the expression on her face, which is imaginative.

The ugly master coughed twice and said, "Actually, I came with our young master this time."

Tao Sanniang showed some surprise on her face when she heard this, and said: "Ugly Lord, there is a big man like you and a young master? Where is it? Introduce me to my acquaintance!"

She knows what kind of character the Ugly Lord is, and he is considered a great power in Hwaseong, but in the end, there is a young master behind him? She had never heard of this before!

The ugly master smiled and said, "Our young master, far away in the sky and close in front of you."

"Where?" Tao Sanniang looked around, looking for the figure of this 'young master'. Immediately, she realized something and finally put her gaze on Lin Ziming next to the ugly master, and couldn't help but say in surprise: "Ugly. Lord, wouldn't you say that the man next to you is your young master?"
