

Chapter: 546

When Tao Sanniang said this, her face was obviously in disbelief.

Indeed, she can be regarded as a person of the party, asking herself whether her eyesight is not bad, whether it is an ordinary person or a big person, it is difficult to escape her glaring eyes. This is the ability that must be tempered in her career.

She looked at Lin Ziming carefully for a while, but she couldn't see what was special about Lin Ziming, just ordinary people who can be seen everywhere on the street. Who is the Ugly Lord? She knows very well that the underground emperor of Hwaseong City cannot be underestimated regardless of financial and strength. How can such a big figure be willing to be an ordinary person?

So she thinks that the ugly master is joking with her more.

Lin Ziming smiled faintly. He couldn't see Tao Sanniang's thoughts, so he didn't bother to explain.

It is not to blame Tao Sanniang, he is now so simple and unpretentious, as long as he does not take the initiative to exude a momentum, and is not a master with a higher realm, he will not be able to see through his depth. Like the Tao Sanniang in front of him, the realm is far from Lin Ziming's high, and naturally he can't see his strength, thinking that he is just an ordinary person.

The ugly master nodded and said, "Yes."

Tao Sanniang smiled and cast a blank look at Ugly Master, and said in a charming manner: "Hey Ugly Master, after seeing you for a while, you have become funny and will make jokes with others. I can understand that you are here. Fool me, in case my heart is touched, you have to be responsible to others."

Tao Sanniang came up deliberately and poked a little on Ugly's chest, a particularly sultry, lively fairy.

Ugly master has not been teased, his face immediately darkened, and said: "Tao Sanniang, I have not joked with you, please apologize to my young master immediately!"

Tao Sanniang was taken aback, she didn't think that Ugly Master would be so serious, she seemed to be really angry.

"This..." Lin Ziming spoke when she was stunned, "Oh, clown, you don't need to be familiar with her. Find a place to sit down and wait for the auction to start."

Only then did Chou Ye put his serious expression away, nodded respectfully to Lin Ziming, then stopped talking to Tao Sanniang, and followed Lin Ziming away.

Now Tao Sanniang is completely stunned. At first, she thought that the ugly master was joking with her, but the respectful attitude of the ugly master to

Lin Ziming just now, and the understatement of Lin Ziming when he ordered the ugly master, it was not a pretense at all. Coming out... Could it be said that this young man who looked at his appearance was really an ugly young master!

Tao Sanniang opened her mouth suddenly and was very surprised. She had known the ugly master for a long time, and had never heard of a young master behind the ugly master! You know, the ugly master is already a big man, how good is the young master of the ugly master?

A few seconds later, Tao Sanniang finally came back to her senses, slapped her forehead suddenly, ran to catch up with Lin Ziming, and apologized in a hurry: "Oh, master, I'm so sorry, Sanniang has no eyes. Taishan, I don't even recognize the young master, and I also ask the young master to have a lot of them. Don't have the same knowledge as Sanniang!"

Tao Sanniang nodded and bowed, obviously very nervous, and her figure was too good, and she was wearing such a tight cheongsam, which caused a wave of turbulent waves, which was very spectacular.

Lin Ziming coughed twice and his eyes were a little attracted. Since he and Chu Fei ate the forbidden fruit and tried the taste of women, it was harder to resist the temptation of the opposite sex.

He waved his hand and said, "I'm not so stingy. Go ahead, and the clown and I will make plans on our own."
