

Chapter: 549

He is not the only person who has such thoughts, in fact, the men around are staring at Tao Sanniang with fiery eyes, and their hearts are constantly drooling.

As for those women, they are constantly scolding Tao Sanniang vixen, shameless, and seduce men like this under the big court. They must have been changed by foxes in the previous life!

Gu Hanxing also had a dry throat, and it was difficult to look away from Tao Sanniang. He was a frequent visitor to Tao Sanniang. He had known Tao Sanniang for a while, and understood that Tao Sanniang was not so easy to learn. Don't look at what Tao Sanniang said right now, and she was very open. When Tao Sanniang really wanted to be true, she ran away again, which made people very annoyed, but helpless.

So he simply stopped arguing with Tao Sanniang. When the time comes, he is uncomfortable. He takes his eyes back from Tao Sanniang with difficulty, and then says: "Then please Sanniang arrange a seat for us."

"That is necessary, Sanniang will definitely entertain Gu Shao." Tao Sanniang said with a smile.

When Tao Sanniang left after arranging a seat, Zhang Yaodong kept his eyes on Tao Sanniang's back. The twist and twist made his body continue to burst into flames.

Gu Hanxing said next to him, "Do you want her?"

"Yes!" Zhang Yaodong nodded reflexively, and said excitedly: "Brother Xing, do you have a way?"

Gu Hanxing showed a disdainful expression, and said, "They are the top of Yuntian Pavilion, what do you think?"

Zhang Yaodong suddenly felt lost, as if he had lost something precious, very uncomfortable. Obviously a stunner woman is in front of her, but she can't eat it, and she doesn't even have the qualifications to touch it. Is there anything more uncomfortable in the world than this.

Gu Hanxing secretly swears in his heart that when his strength reaches the next level, he must find a chance to take Tao Sanniang down! Otherwise it would be a man in vain.

At this moment, Zhang Yaodong saw Lin Ziming not far away, who was being massaged by two young girls. He was stunned, thinking that he had an illusion. He rubbed his eyes vigorously and then opened his eyes. , He found that he had misread it, it was really Lin Ziming!

This shocked him so much. He couldn't figure out why Lin Ziming was here. Isn't Lin Ziming the son-in-law of the Chu family? A waste that can't even find a job, and this is the Yuntian Pavilion auction site. The conditions for entering the market are extremely harsh. If there are internal recommendations, the big boss with a worth of over 100 million may not be

able to come in!

But is Lin Ziming here now? He really couldn't figure it out, and he squeezed his thigh, which was very painful, and made an ouch.

Gu Hanxing on the side looked at him weirdly, "Zhang Yaodong, what are you doing to pinch yourself, right?"

When Zhang Yaodong heard Gu Hanxing's words, he recovered and suddenly said, "Brother Xing, do you remember that I told you that I have an enemy?"

"Remember, what's wrong?"

Zhang Yaodong pointed at Lin Ziming not far away, gritted his teeth, his eyes were as big as a light bulb, flashing with excitement and anger, and gritted his teeth and said, "He's there!"
