

## Chapter: 550

Gu Hanxing looked in the direction of Zhang Yaodong's fingers, and immediately saw Lin Ziming lying on the sofa, receiving a massage from two young girls.

He saw Lin Ziming's appearance with shameless appearance, without any aura, he was completely an ordinary person. He frowned slightly and said, "Are you sure it is him? This guy looks like an ordinary person, but he doesn't look like an ordinary person. Someone who has the energy to get you in."

Zhang Yaodong saw Lin Ziming's enjoyment in that comfort, his teeth were itchy, and the scene of him suffering from Chu Fei's stomach rushed into his mind. Had it not been for Lin Ziming, the damn door-to-door son-in-law, he would have gotten Chu Fei's hand long ago! What happened later? To say who he hates most in this world, the first is Lin Ziming, and the second is Chairman Zi Qiong.

"He's a fart! He's just a trash, trash, worm, and waste! It's a trash, he's uncle, this trash, after so many years, he can't even find a job, and he is qualified to come to the Sky of Clouds. It must be given to him. The owner of Yuntian Pavilion is selling chrysanthemums!" Zhang Yaodong said cursingly, his face was a bit distorted and hideous under extreme anger.

Gu Hanxing said: "He is the door-to-door son-in-law you mentioned? It doesn't look so great. Why can't you even handle such a small person? You have been made so miserable."

With obvious doubts in Gu Hanxing's eyes, Zhang Yaodong blushed immediately and said: "I, who said I can't deal with him anymore, I just look at his wife for the sake of his wife, and I don't bother to be as knowledgeable as him! And this guy is special. Despicable, there is no bottom line in doing things, a complete beast, he has framed me countless times, otherwise, how could I not be able to clean him!

Gu Hanxing couldn't tell that Zhang Yaodong was playing a swollen face to fill a fat man, and he was too lazy to expose it, but he was also a little interested and said, "You said that Chu Fei is very beautiful?"

Zhang Yaodong nodded vigorously, and said in a firm tone: "It must be beautiful. Chu Fei is one of the three beauties in Hwaseong, and is on the same level as the big star Ning Yuning."

Gu Hanxing immediately lit up when he heard it, put his hand on Zhang Yaodong's shoulder, and said with a smirk: "A level with Ning Yuning? That is indeed very beautiful. You will introduce it to Brother Xing another day."

When Zhang Yaodong saw Gu Hanxing look like this, he immediately jumped in his heart, knowing that Gu Hanxing was on Chu Fei's idea, and his expression was a bit ugly, "This..."

Gu Hanxing's eyes suddenly stared, his right hand pinched Zhang Yaodong's shoulder and began to exert force, squinted, and said threateningly: "Why, is it difficult for you to introduce you to brother?"

Zhang Yaodong was in pain, and quickly explained: "Don't dare not dare, don't get me wrong, Brother Xing, I didn't mean that. But after I got out of it, I didn't have Chu Fei's contact information. Just so Lin Ziming Here, we go straight to him and ask him if it's better!"

"It makes sense." Gu Hanxing thought for a while, showing a thought-provoking smile, "Now there is still some time before the opening of the auction, and you and I will meet your old enemy in the past."

Zhang Yaodong is overjoyed. He knows the strength of Gu Hanxing. As long as Gu Hanxing takes the shot, it will be hard for Lin Ziming not to die this time, hahaha!

Soon, they swaggered over.

On Lin Ziming's side, the Ugly Master discovered them very early, frowned slightly, and said to Lin Ziming, "Someone is here to trouble you."

Lin Ziming lay down on the sofa comfortably, receiving a massage from the young lady, closing his eyes, and lazily saying, "I know."

He hasn't been relaxed like this for a long time. A lot of things have happened during this time, and his spirit has been tense. He has long wanted to go for a massage and relax. He didn't expect to enjoy it at the Yuntian Pavilion auction today.

When Zhang Yaodong appeared just now, he found out and was surprised. According to reason, he got Zhang Yaodong in. He couldn't get out for ten or eight years, but he came out in less than half a year. It seems that Zhang Yaodong was around This man has a lot of energy.
