

## Chapter: 552

Zhang Yaodong has never been so sad before, and now he has the urge to cry, and his nose suddenly becomes sore.

He grew up so old that he had never been beaten up like this before.

The kick he had just kicked was enough to make him drink a pot. Now Gu Hanxing kicked him, even more so that his waist was about to be kicked off, and his breathing would be painful.

He was originally a spoiled person who grew up holding a golden key when he was a child. He didn't know how to endure hardship, let alone be beaten. Even if he went to jail half a year ago, it was just a mental torture, and there was no harm to the police. But now, it really hurts, oooooo...

Gu Hanxing saw Zhang Yaodong crying so miserably, he was also a little panicked now. He knew how powerful this kick was. Calculating a part of his strength, it was not something a silver gun wax head like Zhang Yaodong could bear. He suspected that Zhang Yaodong's kidney had been broken by him, otherwise he would not cry so badly.

"Xingxing, Brother Xing, how are you kicking me, what are you doing...you kicking, kicking him...hiss, it hurts me..." Zhang Yaodong His nose was crying with tears, one hand was protecting his waist, and the other was on the ground. I wanted to stand up but couldn't stand up anyway. The pain made my whole body tremble violently.

Lin Ziming couldn't hold back seeing him in such a miserable manner, and laughed, still very happy in his heart.

Before he was still the Chu family's son-in-law, Zhang Yaodong didn't humiliate him less and beat Chu Fei's idea, especially the last time, Zhang Yaodong also conspired against Chu Fei, if he hadn't arrived in time, it would have caused a catastrophe.

So he has always liked Zhang Yaodong.

When many people around saw his miserable look, they couldn't help but sneer, and even the gaze looking at Gu Hanxing was a little bit mocking.

"Isn't that Gu Hanxing? Why is he fighting here?"

"Yes, the victim is still an ordinary person, and the shot is so heavy, it's too unreasonable."

"I have long heard that Gu Hanxing is arrogant and domineering, and he always likes to bully people. I didn't expect it to be true."

"This guy is too miserable, he will break his waist."

"It's miserable, it's really miserable."

"Gu Hanxing is too much, relying on his relationship with Lao Tzu to bully people everywhere..."

Gu Hanxing's face was ugly to the extreme. He had a great reputation in this circle. Now that this happened, everyone thought he was arrogant and bullying ordinary people.

He stared at Lin Ziming coldly, and said coldly, "What a door-to-door son-in-law, I underestimated you, and I didn't think you were still a practitioner! But your three-legged cat skills are not enough in front of me. Now, you kneel in front of me and kowtow to admit your mistakes, and I consider letting you go, otherwise, I will let you fall into hell, and death is better than life!"

Gu Hanxing carried his hands on his back and stared at Lin Ziming coldly. He was full of momentum. In the tone of command, as long as Lin Ziming didn't obey, he would immediately give Lin Ziming a fatal punishment.

Lin Ziming felt his aura and was a little surprised. He didn't think that Zhang Yaodong would be able to get acquainted with such masters.

Chou Ye stood up and said to Gu Hanxing faintly: "Gu Hanxing, I advise you to give up this idea."

Gu Hanxing tilted his head and looked at Ugly Master, and said with a smile but a smile: "What if I don't give up?"

"That is to be an enemy of me." After Ugly said this, his eyes suddenly changed, and a monstrous aura emanated from his body, not weaker than Gu Hanxing's.

The auras of the two powerhouses are superimposed, which is a great oppression for the people around. Many people with insufficient strength obviously feel that their breathing is not smooth, as if the surrounding air has been drained by the sky. Become thinner.

Gu Hanxing's face turned aside again, staring at Ugly Master firmly, gritted his teeth and said: "Ugly Master, are you determined to fight me? You have to figure it out clearly, what is my identity? You are enmity with me for a door-to-door son-in-law. , Is it worth it!"

The ugly master sneered disdainfully, and responded with only one word: "Go away."

"You!!!" Gu Hanxing's face turned green. At any rate, he is also a big man with a face and a face. It doesn't matter if he was embarrassed just now. Now the Ugly Lord is still letting him roll in front of so many people, which can make his face go away. Where to put it!

"You're looking for death!" He was completely embarrassed into anger, ready to attack the ugly master.

At this moment, a low violent shout came from the left: "Stop it!"
