

Chapter: 553

The voice is deep and powerful, full of breath, and you know that it is from a master when you hear it.

Lin Ziming squinted his eyes and saw an old man in a Tang suit walking towards him, surrounded by a group of people.

This is a master, an absolute master.

Seeing this old man, Lin Ziming's heartbeat speeded up a lot, his blood also boiled for a while, and he involuntarily produced a trace of warfare.

The old man seemed to feel his fighting spirit, squinted his eyes slightly, and looked at him meaningfully.

When other people saw the old man, they all showed a look of fear and awe.

"It's a big deal now, and even the old fan of the Yuntian Pavilion is alarmed."

"No matter how arrogant Gu Hanxing is, he still has to show Lao Fan's face, right?"

"That's for sure, and don't look at who Elder Fan is. In this Cloud Heaven Pavilion, who would dare not give Lao Fan face, what did Gu Hanxing do for him?"

Lin Ziming heard the whispers of these audiences, and probably knew the identity of the old man.

Sure enough, when Gu Hanxing saw Fan Lao approaching, his face showed a trace of jealousy. He glared at Lin Ziming and Ugly Master and took two steps back to show his attitude.

After Elder Fan walked over, he smiled and said kindly: "Gu Shao, Ugly Master, I don't know if you two can give the old man a face and don't fight here?"

The Ugly Master immediately handed over and said: "I definitely want to give the face of Old Fan. We didn't initiate this incident. It was Gu Hanxing who walked over happily and embarrassed our young master, so I had no choice but to stand up and stop it. Fan can check the surveillance."

Ugly Lord's words are neither humble nor overbearing, which makes them sound comfortable.

Old Fan heard the key words, his eyes lit up, and said, "Ugly master, when do you have more young masters? Haven't you been alone?"

Ugly Lord smiled slightly, but did not answer positively.

Old Fan is a smart man, so he can see that the ugly man is not lying, so he looked at Lin Ziming deeply, smiled, and said hello.

Lin Ziming also smiled and nodded lightly.

Gu Hanxing squinted his eyes when he heard what the ugly master said, and suddenly looked at Lin Ziming. He had never heard of the ugly master and a young master!

Although he didn't put the ugly master in his eyes, if it was the ugly

master's young master, the nature would be different. The key point was that he didn't understand Lin Ziming at all.

For a while, his mind went crazy.

"Gu Shao, what do you mean?" Fan Lao looked at Young Master Gu and asked with a smile.

Gu Hanxing also handed his hands: "Since Fan has already spoken, Gu naturally wants to give Fan Lao face."

"Then the old man thanked Gu Shao first." Fan Lao said with a smile.

This matter calmed down temporarily, Gu Hanxing came aggressively and walked away griefly. Even if Old Fan appeared to solve it, he would lose face and his mood would naturally not be much better.

When Zhang Yaodong walked over, he stared and asked unceremoniously: "Zhang Yaodong! You dare to lie to me, so brave! I think you are impatient!"

Zhang Yaodong was so frightened that he almost fell to the ground and quickly explained: "Brother Xing is wronged! Don't you know who I am? I lie to anyone and dare not lie to you!"

"You dare to quibble! The Lin Ziming you mentioned is not the son-in-law of the Chu family at all, but the young master behind the Ugly Lord of the underground emperor of Huacheng, a proper big man. You let me offend such a person in the past? Say, what are you doing? What is your intention?"

Gu Hanxing said murderously.

Zhang Yaodong directly knelt down. He was both frightened and wronged now, and he was particularly puzzled. How could Lin Ziming become a big man after sitting inside for half a year? This is totally unreasonable!
