

## Chapter: 554

“Brother Xing! What a big mistake! Give me a hundred courage, and don’t dare to hurt Brother Xing. You saved my life from Brother Xing.” Zhang Yaodong had no dignity, and hugged Gu Hanxing. Thigh begging for mercy. When Gu Hanxing saw him like this, he also realized that Zhang Yaodong didn’t seem to be lying. He glanced at Lin Ziming in the distance, and then said: “You can tell me what Lin Ziming is all about.”

Zhang Yaodong did not dare to have any reservations, and quickly told Gu Hanxing what he knew about Lin Ziming.

“Are you really sure that Lin Ziming was the door-to-door son-in-law of the Chu family for four years?” After listening to Gu Hanxing, he was still a little skeptical. I really can’t understand. Since he is a poor door-to-door son-in-law, how could he become the ugly son-in-law, martial arts How strong is it?

“It’s true, Brother Star!” Zhang Yaodong said forcefully, “If I lie to you, I will be thundered in the sky, it will not be a good death, the whole family will die!”

Hearing Zhang Yaodong’s poisonous oath, Gu Hanxing’s face changed slightly, he believed Zhang Yaodong’s words, and at the same time became more curious and surprised at Lin Ziming.

“interesting.”

Gu Hanxing finally took a deep look at Lin Ziming, and then retracted his gaze. The corners of his mouth rose slightly, revealing a meaningful smile, holding a goblet in his hand, and drank it in one gulp.

He is a person who likes to challenge and has absolute confidence in himself. To him, Lin Ziming is like a prey. The stronger the prey, the stronger the resistance, and the more fulfilling he hunts.

On Lin Ziming’s side.

“What is the origin of this Young Master Gu?”

“His name is Gu Hanxing, the son of Gu Xuan, the vice president of the Northern Sky Club. He has a deep background, strong martial arts, and his strength is not to be underestimated. He is famous in the circle and many people dare not provoke him easily.” The ugly master said, “Gu Hanxing’s. The martial arts talent is very high, he has practiced a good martial arts since he was a child, but he has no martial arts and likes to bully the weak. This person has a narrow mind. You just provoke him, he is afraid that he will not give up easily.”

Lin Ziming made a gesture, and the two young girls understood, immediately stopped the massage, and stood aside obediently. Lin Ziming stood up and stretched briefly. His body made a squeaking sound, and said with emotion: “Comfortable!”

After being pressed, his body relaxed a lot and his mood improved.

Some splendor flashed in Ugly's eyes, and he said, "You are not worried at all? This Gu Hanxing is not easy to provoke. The northern sky behind him will be even more massive."

Lin Ziming said: "What's the use of worrying? Anyway, if you don't provoke it, you can also provoke it. Seeing the trick. Besides, isn't this exactly what you want to see?"

Ugly Master's pupils shrank suddenly and shook his head: "Master, I don't understand what you mean."

"No need to pretend." Lin Ziming smiled and patted the ugly master on the shoulder, and said, "I'm not a fool. You can't hide me with this little action."

Ugly Lord stopped speaking, it was a tacit consent.

Lin Ziming continued: "Gu Hanxing is a good opponent, and it's not bad to use it for tempering."

After a long silence, the ugly master said with emotion: "Master, you are getting smarter and smarter."
