“With each other.” Lin Ziming smiled slightly, and didn’t speak any more. It won’t take long for the auction to begin.

Lin Ziming has never been to an auction before. He has only seen it on TV. It is still quite novel. The first one presented is ten professionally trained servants. It looks no different from ordinary people. , But everyone has professional skills.

These ten servants began to shoot at a starting price of 10 million yuan, and were finally photographed by a wealthy businessman who spent more than 30 million yuan and 4 million yuan.

And then, the auction was for an internationally famous assassin, who could unconditionally let this assassin assassinate three people if the film was taken.

Then, all kinds of weird things were brought up for auction, and the asking prices were getting higher and higher. Some people even came up with exercises to auction, which really opened Lin Ziming’s vision.

Gu Hanxing also photographed two things in the middle, and spent tens of millions of dollars. He didn’t feel distressed at all. He was a rich master.

When Lin Ziming looked at him, he happened to look at him. He sneered at Lin Ziming and made a gesture of wiping his neck, threatening.

“The next thing to be auctioned is the highlight of tonight. It took seven seven to seventy-nine days for the famous Alchemist Soul House Master to spend countless precious medicinal materials, and it took seven seven to seventy-nine days to refine the first-grade marrow pill! The effects are amazing! , Anyone who is a master at the pinnacle of the acquired day will have an 80% chance of breaking through to the innate realm after taking it!” Following the host’s high-pitched voice, a hole appeared from the auction stage, and a delicate box was slowly raised.

Then the host opened the box with the key, showing a pale golden pill inside, which was as big as an adult’s fist and full of weight. Under the light, the surface was radiant, as if there was life, especially The ground is dazzling.

On the big screen, I gave a close-up of the Xisui Pill. At this moment, the whole audience fell silent. Everyone held their breath and stared at the Xisui Pill.

Including Lin Ziming, his gaze was also drawn tightly. He is a master at the pinnacle of the acquired day. He has very good eyesight. You can see the appearance of this marrow pill clearly without looking at the big screen, even if it is so far away. He can feel the power of this marrow pill, as long as he takes it, he will definitely break through the current realm!

There is another person who has the same hot gaze as him, and it is Gu Hanxing.

In fact, Gu Hanxing also rushed to this marrow pill tonight. He stood up

abruptly and couldn't help but said excitedly: "The marrow pill is really a marrow pill! Great, this marrow pill. It's mine! Hahaha..."

Slowly, many people came back to their senses one after another, and immediately set off a lively discussion.

"Really Xisui Pill!!"

"It's awesome, and it's still a first-grade marrow pill refined by the master of the soul house. This is the highlight of the auction tonight. I don't know who is so lucky to be able to take this marrow pill."

"It must be Gu Hanxing. You don't look so excited when you see him. You look eager to see Xisui Pill. Besides, who dares to snatch Gu Hanxing from Gu Hanxing's fancy? Isn't it an impatient life? "

"This is not necessarily true. To the masters at the pinnacle of the day after tomorrow, Xisui Pill is a top-notch treasure. There is no doubt that someone will tear his face for Xisui Pill and Gu Hanxing."

"Look, there's a good show to watch now..."

Around Lin Ziming, similar discussions continued one after another, making Lin Ziming's desire for Xisui Pill even more enthusiastic.
