

Chapter: 557

“I heard something wrong, 1.5 billion?!!!”

Hey, someone slapped himself vigorously, his face was shocked and incredulous, “This is a fake, buy a cleansing pill for 1.5 billion? I won’t earn 1.5 billion in my life!”

“It’s crazy, 1.5 billion. Looking at him so relaxed, I don’t even think of these 1.5 billion. Where is this local tyrant? He looks very young.”

“I haven’t seen it before. It seems to be the young master of the ugly master. I had a holiday with Gu Hanxing just now.”

“The ugly master? I have never heard of it.”

“This must be a big man, 1.5 billion, and he deliberately shouted after Gu Hanxing finished that sentence. Didn’t this deliberately hit Gu Hanxing in the face, haha.”

“It’s long time for someone to rule Gu Hanxing. Relying on his dad Gu Xuan, who is the vice president of the North Sky Club, he is always doing the best. Hit Gu Hanxing in the face.”

“Anyway, it looks good now...”

“I don’t know what Gu Hanxing would do? With his character, I am afraid that he will be mad now, haha.”

There was a lively discussion on the scene, and many people did not hide it. It was passed into Gu Hanxing’s ears, no doubt, that was tantamount to slap after slap, slapped hard on his face.

He was even more embarrassed just now, and in an instant he was going crazy, his entire face turned green, his eyes were red and bloodshot, and his eyes were full of rage, hatred, and murder when he looked at Lin Ziming.

He had never been so embarrassed before, and his whole person was going to explode, clenched his fists so loudly, wishing to punch Lin Ziming to death!

Zhang Yaodong, who was on the side, was also stunned. He was completely stupid when he heard the number of 1.5 billion, his mind was spinning, and he even had doubts about the world.

Looking at Lin Ziming, he felt as if he had seen a ghost. Is this the one he knew who stayed at home and washed his underwear every day, couldn’t even find a job, was bullied and didn’t dare to put a fart on it?

Is there something wrong with his memory, or is he hallucinating now?

He opened his mouth wide, his brain was blank, and his body was cold.

“Lin! Zi! Ming!” Gu Hanxing stared at Lin Ziming, his eyes bursting with fire, and a sentence popped from his teeth, “Are you trying to die?!!!”

However, Lin Ziming ignored him, and after bidding, he sat down and drank leisurely. He seemed so calm and relaxed. He didn’t put Gu Hanxing in his eyes, which was in stark contrast to Gu Hanxing’s anger and depravity.

In this situation, the host didn’t know what to do for a while, and was

stunned, and the original “three billion transactions, deal” that was supposed to be said in his mouth was stuck in his throat, and he couldn’t tell.

On the other side, there was one of the many gazes, a hot gaze from Tao Sanniang, staring straight at Lin Ziming. It was not that she was conquered by Lin Ziming, but she couldn’t see through Lin Ziming, yes. Lin Ziming had great curiosity.

The ugly master said: “Host, you are in a daze, continue your work.”

The host was shocked suddenly, and came back to his senses, “Oh, oh, yes, yes. This gentleman sold a high price of 1.5 billion. Is there anyone who bid more than 1.5 billion?”

No one responded, and there was a strange silence in the auction room again. Everyone looked at Gu Hanxing, and now he was the only one who could afford this price.

Even the host looked at Gu Hanxing, and cautiously asked tentatively: “Mr. Gu, do you still want to make an offer?”
