

Chapter: 558

Is the starting price still available?

This sentence became a naked mockery in Gu Hanxing's ears!

He stared at the host murderously, the host was immediately taken aback by him, and quickly lowered his head, not daring to look at it anymore, and secretly cursed Gu Hanxing for what he deserved.

Everyone's eyes focused on Gu Hanxing, wondering what he would do.

Gu Hanxing's mood has always been very unstable, and through constant deep breathing, trying to calm himself down.

Originally, when he came to the Yuntian Pavilion auction tonight, he was rushing to wash the marrow pill. Because he inquired from professional channels, Yuntian Pavilion will have a good-quality Xisui Pill coming for auction tonight, and he is now at the pinnacle of the day after tomorrow. As long as he takes this Xisui Pill, he will have a great deal. Probability, breakthrough to the innate realm.

And once he breaks through to the innate realm, he will jump over the dragon gate, his strength will be greatly increased, and his social status will also be greatly improved.

Tonight he prepared 1.2 billion to come over and take down the Xisui Pill in one fell swoop. With his status and strength, as long as he is not a fool or a lunatic, it is impossible to fight him.

So when he came, he was full of spirits, and had already imagined that when he took this marrow pill, he successfully broke through to the innate realm.

But he never thought that he would kill a Lin Ziming halfway, and he dared to confront him openly and face to face!

At this moment, he was not only angry, hatred, but also panic.

Because before he came, he had also made a ticket to his father, so he could definitely take the Xisui Pill, but now there is a problem. When his father blames him, how can he explain it?

Damn Lin Ziming! Damn it! !

Even with that, he blamed Zhang Yaodong. If it weren't for Zhang Yaodong's beast who asked him to trouble Lin Ziming in the past, he would not offend Lin Ziming.

The more he thought about it, the more anger he got, he couldn't resist giving Zhang Yaodong a kick, and cursed: "You are the fucking dog!"

Zhang Yaodong was very wronged. The person who clearly offended Gu Hanxing was Lin Ziming. Why did Gu Hanxing beat him?

Fortunately, this kick was just kicking on his ass, which was very painful, but it was not enough to kick him.

But the heart-wrenching pain is inevitable.

The host waited for Gu Hanxing for a long time. He didn't even wait for Gu Hanxing to become a monk, so he started shouting, "Is there anyone paying

a price higher than 1.5 billion? Is it really possible? The first time for 1.5 billion. , 1.5 billion second time...”

Just as the host was about to make a final decision, Gu Hanxing couldn't help but stand up and say, “Slow!”

“Mr. Gu, do you want to bid more than 1.5 billion?” the host asked cautiously.

Gu Hanxing gritted his teeth, he glared at Lin Ziming fiercely, and then said: “I'm out of 1.53 billion.”

The host was stunned when he heard what he said. Lin Ziming had just gone up by 500 million, but now you only have 30 million more? It also seems too petty.

Not only the host, but many people present also had this idea, and there was a little ridicule in their eyes looking at Gu Hanxing.

Gu Hanxing felt everyone's ridicule at him, which was an unprecedented insult to his arrogant character!

But he didn't have any idea now, he could only pray that Lin Ziming would stop bidding, otherwise he would be a little unbearable.

Will Lin Ziming listen to him? Of course it won't.

“1.8 billion.” Lin Ziming raised the sign and said in a lazy tone.

When this number was shouted out, it could be heard that the breathing of many people in the audience became heavier. Even for rich people like them, 1.8 billion is an astronomical figure, and many of them won't make this money in their entire lives.

Including the Yuntian Pavilion's Fan, his face also began to move, and the muddy eyes in his old eyes became sharp and deep, staring at Lin Ziming closely, trying to see through Lin Ziming!

But no matter how he looked at it, it was still difficult to see through Lin Ziming. In his spiritual world, Lin Ziming was just a simple and unpretentious rock, and there was nothing special besides being hard and heavy.
