

Chapter: 560

His old blood just sprayed onto Zhang Yaodong's face.

There are also differences between Xiusui Pills. The best is the best Xiusui Pill, which has the best quality, the strongest effect, and the least side effects. It has a higher probability of helping the acquired peak master to break through to the innate realm.

The next thing is the first-class Xiusui Pill, the effect is much weaker than the best-class Xiusui Pill, and the probability is lower.

Again, the second and third products are the second and third products, so the quality of Xiusui Pill is divided into four levels, the best is the best Xiusui Pill, but the best Xiusui Pill is very rare, and usually you can't see one for many years.

Unexpectedly, it would appear in the Yuntian Pavilion auction site today, and it was still the case that the first-grade Xiusui Pill was just auctioned off.

Gu Hanxing had never been so desperate before. He seriously doubted that God was playing with him. He spent all his savings and photographed the first-grade cleansing pill, but the host suddenly came out with the best cleansing pill behind. ?

Let me go to him!

Fortunately, some of his subordinates held Gu Hanxing in time and didn't let him fall. Even so, he was embarrassed, and everyone was watching his jokes.

"Dare to play Lao Tzu, Lao Tzu will kill you!" Gu Hanxing went mad and became angry. He rushed down and beat the host violently. He was completely irrational now, like a mad dog.

The host is an ordinary person, who doesn't know martial arts, and where he can resist Gu Hanxing's violent beating, he is dying in a short while.

Fortunately, Yuntian Pavilion reacted quickly, and security rushed up to stop Gu Hanxing.

Fan Lao stepped out immediately, furious, "Gu Hanxing! You are so brave, you dare to go wild in the Yuntian Pavilion, I think you are tired of living!!!"

At this time, Fan Lao exploded with great aura, which made people shudder. Gu Hanxing finally recovered. He realized that he had caused a catastrophe, his face turned pale suddenly, and his heart beat fast.

"Fan Lao..." Gu Hanxing quickly wanted to explain, he was still afraid of Fan Lao.

Fan Lao stared at him coldly and said, "I will tell Gu Xuan about this and ask how he disciplined his son! Gu Xuan won't give me an explanation about this matter, Yuntian Pavilion and your Gu family are finished!"

When Gu Hanxing heard this, he was even more panicked, "Fan, what happened just now is a misunderstanding. I apologize to you, apologize to

Yuntian Pavilion, and I am willing to compensate Yuntian Pavilion for the loss.”

“No need.” Fan Lao said coldly, “Please leave now, I don’t welcome you in Yuntian Pavilion.”

Gu Hanxing was frustrated. He was so good, how could something like this happen? Impulse is the fault of impulse. It is conceivable that after he returned, his father Gu Xuan would teach him how.

Lin Ziming couldn’t help laughing when he saw him like this.

Chou Ye looked at Lin Ziming, how could he not understand how he knew that there was a superb cleansing pill behind him? I didn’t even tell him.

It happened that Gu Hanxing saw Lin Ziming’s smile, which made him half to death with anger and blood, and he had the urge to vomit blood again.

He stared at Lin Ziming fiercely, as if he wanted to remember Lin Ziming in his mind, and he would never forget it for the rest of his life! He grew up so old, he has never suffered such a big loss, and he has never hated someone so much!

No matter how arrogant Gu Hanxing was, he didn’t dare to turn his face with Yuntian Pavilion, so he had to leave aggrievedly.

After Gu Hanxing left, the auction continued, but everyone’s eyes were full of fear and awe at Lin Ziming. For the next superb cleansing pill, no one would dare to compete with Lin Ziming. In the end, Lin Ziming only It can be said that it is extremely cost-effective to auction it at a price of 300 million yuan.
