

Chapter: 561

It is no exaggeration to say that Lin Ziming can earn more than one billion yuan if he changes hands casually now.

Of course Lin Ziming couldn't do this, he wanted to keep this superb cleansing pill for himself. When he held this superb cleansing marrow pill, he could clearly feel the extraordinary. It was different from all the pill on the market. It seemed to have his own life. Lin Ziming even had an illusion, as if he was himself. Let go, this superb cleansing pill will slip away by itself.

This is because the best medicine for washing the marrow pill is too effective, full of spiritual illusions brought to Lin Ziming.

Next, the auction continued to auction other things, but there are relatively few circulated treasures on the market, but it looks a little inferior to Xisuidan.

Lin Ziming had achieved his goal, and he didn't want to stay anymore, and he winked at Chou Ye and prepared to leave.

"Master Lin, please stay."

When he was about to walk out of the Yuntian Pavilion, a nice voice rang from behind, full of magnetism, no one, it was the sexy and seductive Tao Sanniang, now she came by herself.

"Is Sanniang looking for something to do with me?" Lin Ziming asked in an unsalted tone.

Tao Sanniang is not only good-looking, but her body is good, her temperament is not good, she can be called a stunner among women, she has come into contact with so many men, and there has never been a man who acts like Lin Ziming in front of her. Indifferently, turning a blind eye to her beauty made her wonder if she was not attractive enough.

When he first saw Tao Sanniang, as a man's instinct, Lin Ziming was indeed moved, but when he calmed down, facing Tao Sanniang was very indifferent.

In this regard, even the ugly master did not do well. Don't look at the indifferent appearance of the ugly master, in fact, he would be tempted to see Tao Sanniang.

Tao Sanniang is a typical peach-eyed, big, energetic, and full of power. Whenever a man with a normal sexual orientation is stared at by her, his heart beats faster, and he doesn't even dare to face her.

Few people like Lin Ziming who do not wave in an ancient well, take it calmly.

Tao Sanniang walked in front of Lin Ziming, and the alluring fragrance continued to penetrate into Lin Ziming's nose, "Lin Shao was just so prestigious, Gu Hanxing, who was invincible, could not fight back in front of Lin Shao. My mother is fascinated, and the deer is ramming around."

Lin Ziming smiled faintly, but did not respond.

His unfavorable appearance made Tao Sanniang feel a deep sense of frustration, and at the same time it aroused her enthusiasm. She did not believe that someone in this world really resisted her charm. Surgery!

So Tao Sanniang smiled more brilliantly, and the charm in her beautiful eyes was heavier. At the same time, she walked forward half a step, and gently bit her lower lip and said, "Lin Shao, I don't know if I have the honor to be with you. How about dinner together? I have a lot to think about..."

"No." Lin Ziming interrupted her without waiting for her to finish.

"Huh?" Tao Sanniang was stunned for a moment, but she didn't react for a while.

Lin Ziming continued, "I'm already married, so I can't have dinner with you, sorry."

Now Tao Sanniang understands, her expression is wonderful, is she, was she rejected by Lin Ziming?

She has never encountered this kind of thing since she became successful in her charming technique! Any man she has been in contact with, who didn't try to get close to her and fell under her pomegranate skirt?

Now she has taken the initiative to invite Lin Ziming to dinner, but she was actually rejected?

She opened her eyes wide and couldn't believe it was true.
