

## Chapter: 562

She received a huge blow again and suffered a brief period of dementia. She couldn't help asking: "Are you sure, don't you have dinner with me? You know that many men don't have a chance to eat with me."

The smile on Lin Ziming's face remained unchanged, and he asked, "Do you think I am joking?"

Not like...

It is precisely because of this that Tao Sanniang is uncomfortable.

Fortunately, her psychological quality passed, the embarrassment on her face was quickly erased by her, and she reappeared with a coquettish smile, saying, "Ho ho, I'm actually joking with you."

Lin Ziming smiled slightly and said noncommittal, "Since Sanniang has nothing else to do, then I won't disturb you in doing business."

Tao Sanniang raised her brows lightly and said, "I'll send you out."

At this point, Lin Ziming did not refuse, tasting Tao Sanniang to the door.

Finally, Lin Ziming said thank you, acting very polite, without the slightest arrogance and rudeness, and the gentle and elegant image, so that Tao Sanniang could not find the problem.

Seeing Lin Ziming leave without looking back, she seemed to be really not interested in her. Tao Sanniang stomped her feet in shame, and snorted when she looked at the direction of Lin Ziming's disappearance, "This guy must be a gay guy. I can ignore my charming technique, damn it!"

After getting in the car, Ugly Master asked with a weird expression: "Why do you want to reject Tao Sanniang?"

Lin Ziming said: "I said, I'm already married."

The ugly master said: "Don't look at Tao Sanniang being so coquettish, she is notoriously difficult to learn, there are no less than a hundred men around her, but she has never been taken advantage of by others, and she is very clean."

"So?" Lin Ziming looked at the ugly master.

The ugly master shifted his gaze aside, secretly slandered, changed the subject, and said solemnly: "The best medicine for marrow washing is so powerful that you can't take it all at once, otherwise your body won't be able to bear it."

Lin Ziming opened the box, and the top grade Xisui Pill inside appeared, and a strong medicinal scent came out, which made people feel very energetic when they smelled it.

Then, the ugly master told Lin Ziming how to take it, what contraindications should be paid attention to, what side effects will occur, and so on.

After Lin Ziming listened carefully, he became more confident in his heart.

Now he is the pinnacle of the day after tomorrow, as long as he takes this superb cleansing pill, he will be able to break through to the innate realm

without any accident. Once you reach the innate realm, your strength will make a leap forward.

According to Chou Ye, there are currently five realms of martial arts. Through professional training, ordinary people have made great progress in their physical fitness. They can beat several ordinary people by themselves. They are martial artists, that is, they are just getting started.

After he became proficient, he reached the realm of masters. Many professional boxing, Sanda, and MMA athletes can also be called the realm of masters.

The next stage is the realm of masters, and there are very few people who have reached this realm. They are already qualified to start sects, and they are also called the pinnacle realm of acquired days by the insiders. Lin Ziming is currently in the realm of masters.

The vast majority of masters will be stuck in the realm of grandmasters, and there are many people who have made breakthroughs in the whole life of the card, because if you want to go from the acquired peak to the innate realm, it is not possible to achieve it by personal cultivation.
