

## Chapter: 567

Finally, it was the tenth day.

Lin Ziming had no less than a hundred determinations in his heart before he swallowed it with ulterior motives.

The last time, the unprecedented pain, it seemed that someone had ravaged all parts of his body alive, and even the cells were painful, constantly being destroyed and reborn, reborn and destroyed.

But this time, he lasted the longest, five full hours before he stopped.

Then he passed out in a coma.

When he woke up, it was dark again, and he rose from a pile of rubble.

This nearly 100-square-foot house was actually demolished alive in his violent state.

Fortunately, this is a deserted suburb, and there are no people within two kilometers. Otherwise, you must be scared to death, thinking that there is a monster.

After a long time, he opened his eyes, and a divine light flashed, as if it had illuminated the whole world!

A powerful majesty radiated from his body, causing the insects, birds and beasts within a radius of three kilometers to be quiet at this moment like a pause button on the TV, and it seemed a bit strange!

This is because his aura is too strong. As the most sensitive bird and beast, he felt it for the first time, and was immediately trembling with fright, prostrated on the ground, bowed his head.

Even the ugly master in the distance felt Lin Ziming's aura, his heart was pinched by a big hand, his brain was blank in an instant, and he couldn't breathe.

"Master, it's done." Ugly master said in astonishment.

The neon clothes next to him showed a smile of relief on her nervous and nervous face, and then her figure flashed and disappeared, silently, and even the ugly master next to him had not noticed.

Lin Ziming's aura was only maintained for two seconds before he put it away.

Now he is naked and a bit embarrassed. Fortunately, although the house has collapsed, his suitcase hasn't been damaged. He took out a clean suit and put it on. Then he asked the ugly master in the distance. He waved his hand and said, "Don't hide, come here."

The pupils of the ugly master shrank a bit. He is a few hundred meters away from Lin Ziming now, or here, Lin Ziming has discovered all of them. It can be seen that Lin Ziming's skill has improved a lot now.

When he walked in front of Lin Ziming, the Ugly Master looked at Lin Ziming in front of him, with a lot of emotion in his heart. He can be said to have watched Lin Ziming grow up since he was a kid, and he has grown

from a little kid to the extraordinary in his innate realm. The strong, “Congratulations, young master, for successfully stepping into the innate realm!”

Lin Ziming smiled and said, “Joker, thank you so much for this period of time. I have been protecting the law for me.”

When the ugly master heard Lin Ziming’s words, he felt flattered, and said hurriedly: “There is nothing wrong, this is what I should do.”

Very strange, now Lin Ziming has clearly broken through the innate realm, but the feeling he gives to Ugly Master is even more ordinary, and he can’t feel the existence of a trace of innocence!

You know, before that, even if Lin Ziming’s realm was higher than Ugly Master, Ugly Master could still perceive Lin Ziming’s true energy fluctuations, knowing that Lin Ziming was a strong man. But now, Ugly Master can’t see Lin Ziming at all. This also shows that Lin Ziming’s realm is already far beyond him.

I couldn’t help cursing a pervert in my heart.

But he was still very happy for Lin Ziming.

Indeed, now that Lin Ziming has stepped into the Innate Realm, his aura is hidden deeper, and he is more like an ordinary person. It is impossible for people who are not in the Inborn Realm to see his strength.

“During my retreat, what happened to my family? Did Gu Hanxing come to make trouble?” Lin Ziming narrowed his eyes and said.
